

**Points of Pride  
for the 2025-2026 school year**

**School accomplishments we are proud to celebrate, because of the impact on learning and teaching for each and every learner.**

- **This is our third consecutive year in a row we have increased our graduation rate: 87.5%!**
- **We are in our second year offering Advance Placement Art courses - allowing students an opportunity to earn college credit.**
- **We added a new culinary elective Baking & Pastries for our young chefs to expand their learning.**
- **We added to our staff a Reading Interventionist teacher to support student literacy.**
- **We are providing produce for culinary classes from our new student managed hydroponic Fork Farms.**
- **We created an outdoor classroom for students and staff to use during instructional time.**
- **IAA was named the Minnesota Association of Alternative Programs School of the Year for 2025.**
