

Pike High School Clubs and Organizations

African Student Association of Pike High School	Malik Austin
The African Student Association of Pike High School is dedicated to celebrating and sharing the rich cultures, traditions, and histories of Africa. Our mission is to create a welcoming community that fosters cultural pride, unity, and leadership among African students, while promoting awareness, understanding, and appreciation of African heritage within the broader Pike community.	
Astronomy Club	Eric Parr
The Astronomy club gets students interested in space by utilizing our amazing new planetarium software.	
Aviation Club	Jeremiah Cook
To introduce students to aviation concepts by facilitating high-fidelity flight simulation in the classroom.	
Best Buddies	Valerie Khatadia & Victoria Miller
Best Buddies fosters one-to-one friendships between high school students with and without IDD. In this time of heightened social and emotional development that can be difficult even for teenagers without IDD, the Best Buddies High Schools program helps break through social barriers at an important time in a young person's life.	
Black History Club	Derrick Wilkerson
The purpose of the Pike Black History Club is to provide a safe space for students to explore, discuss and discover more about Black History and Black Culture History. All presentations are interactive. Small group and large group discussions are utilized. Sponsorship helps us provide educational programs and activities for students including the Black History Convocation, College visits, Senior Awards and the annual Soul Food Dinner.	
Bring Change to Mind	Tonya Monnier & Amber McKinney
To bring awareness to mental health issues. It's okay to not be okay, but find help.	
Ceramics Club	Chris Dance
The mission of Ceramics Club is to give all Pike Students more opportunities to create in 3 dimensions; have access to clay, kilns and materials that they will use to develop an art vocabulary and develop creative problem-solving skills.	
Chemistry Club	Cassandra Winn
Help students find connections between science, the community, their lives, and their future careers.	
Computer Science Club	Justin Smith
To empower students to become creative problem-solvers and innovators by fostering a supportive and inclusive environment where members can share ideas, build impactful projects, and push the boundaries of technology together.#	
Creative Writing Club	Ebene Burney
The Creative Writing Club at Pike High School is dedicated to inspiring imagination, self-expression, and a love of storytelling. Our mission is to provide a supportive space where students can develop their voices as writers, share ideas, and grow through collaboration, feedback, and creative exploration. We aim to celebrate diverse perspectives and encourage writing that makes an impact both within our school and beyond.	
Debate Club	Emily Hyatt
The mission of our Debate Club is to build confidence and strengthen communication skills by practicing various debating techniques through fun, low-risk activities that encourage participation, critical thinking, and respectful dialogue.	
DECA	Nicholas Russell
DECA is business club preparing students for a career in various business roles through networking and real-world scenarios.	

Dungeons and Dragons	Eric Parr
To provide students with a safe space to play table top games and generally nerd out with each other.	
eSports League	Kerry Bieschke, Michael Inman & Nicholas Russel
Compete in esports competitions with other schools across the state.	
Family, Career, & Community Leaders of America (FCCLA)	Keith Brooks
To introduce students to the culinary competitions and test their skills in the kitchen.	
FFA	Jon Pilarski
The Pike FFA Chapter is dedicated to preparing students for leadership, personal growth, and career success through agricultural education. Our mission is to cultivate responsibility, teamwork, and a strong work ethic while providing hands-on opportunities that connect classroom learning to real-world experiences. We strive to develop future leaders who will positively impact our school, community, and the world of agriculture.	
French Club	Rubee Johnson
The French Club at Pike High School is committed to fostering a love for the French language and the diverse cultures of the Francophone world. Our mission is to build community through cultural exploration, language practice, and meaningful activities that celebrate global connections while broadening students' perspectives beyond the classroom	
Girls Flag Football	Danielle Cabrera & DaQuan Spencer
To educate as many girls about flag football. And to help girls get a college scholarship for playing flag football	
Girls Who Code	Justin Smith
Girls Who Code aims to encourage more students with learning and enhancing their coding skills, collaborate on projects, learn new skills, build friendships, and creatively and digitally propose solutions to solve a community issue.	
Guitar Club	Grace Gregory
Our mission is to empower new guitar players to take their first steps with confidence and to create a welcoming community where musicians of all levels can connect and thrive.	
Health Education & Advocacy	Ebene Burney
The mission of the Health Education and Advocacy club is to provide an outlet for students to learn about human health, health careers and to advocate for health amongst their peers.	
Health Occupations Students of America (HOSA)	Rene Walker, Nicole Johnson & Jeremiah Cook
The mission of HOSA is to empower HOSA-Future Health Professionals to become leaders in the global health community through education, collaboration, and experience.	
Intramural Sports	Marcus Evans
The Pike Intramural Basketball Program is dedicated to providing students with a fun, inclusive, and competitive environment to stay active, build teamwork, and develop sportsmanship. Our mission is to foster school spirit, encourage healthy lifestyles, and create opportunities for all students to enjoy the game of basketball, regardless of skill level.	
Key Club	Heidi Slavkin & Kathleen Tiernan
The Key Club mission is "to provide members with opportunities to serve, build character and develop leadership.	
Latin X Student Association	Graciela Miranda & Katie Martin
To support students with a culturally sensitive approach to facilitate a sense of belonging at Pike High School and support their post high school journey by facilitating college or vocational school endeavors.	

National Art Honor Society*	David Seward
The National Art Honor Society at Pike High School is committed to recognizing outstanding student achievement in the visual arts, fostering creativity, and promoting the value of art in our school and community. Through service, collaboration, and artistic exploration, we strive to inspire creative leaders who use their talents to make a positive impact and enrich the cultural life of Pike High School.	
National Honor Society*	Mary Sims & Caleb Wakefield
The National Honor Society at Pike High School is dedicated to upholding the four pillars of scholarship, service, leadership, and character. Our mission is to recognize and encourage academic excellence while cultivating a commitment to service, fostering responsible leadership, and promoting integrity among our members. We strive to make a lasting impact on our school and community through meaningful contributions and exemplary conduct.	
National Technical Honors Society*	Rene Walker
The mission of the National Technical Honor Society (NTHS) is to honor student achievement and leadership in career and technical education, promote educational excellence, and enhance career opportunities for NTHS members. NTHS aims to recognize and reward students who excel in their CTE programs and provide opportunities for higher education and workforce development.	
Outdoor Club	Josh Mott
The mission of the Outdoors Club is to provide an opportunity for students to engage in outdoor recreation.	
Pike Athletic Council (PAC)	Kendra Champion-McAloon & David Paddock
This mission of the Pike Athletic Council (PAC) is to develop a positive image of our student athletes by encouraging sportsmanship within Pike sports and the community.	
Pike Gender Sexuality Alliance	Vanessa Turner, Rebecca Rogers
The mission of the Pike Gender Sexuality Alliance is to create a safe, supportive, and inclusive environment for queer staff, queer students, and allies. Our goal is to provide a space where individuals can be themselves without fear of judgment. We achieve this by facilitating social interactions and community-building activities, offering guidance and emotional support to those who are questioning their sexual or gender identity, educating students about historical and current LGBTQ+ issues, and inviting guest speakers to discuss advocacy and available resources for all.	
Pike Leadership Council	Brea Williams
Class Sponsor - Freshman	Aja Ladd
Class Sponsor - Junior	Qiana Miller
Class Sponsor - Senior	Torria Buckley
Class Sponsor - Sophomore	Hannah Enloe
Student Leadership Council aims to serve the PHS community by providing spirit-filled event programming, dress days, and community service.	
Pike Plants! Gardening Club	Jennifer Gliessman
The Pike Plants! Gardening Club cultivates a love for gardening by bringing students together to grow, learn, and nurture plants. Our mission is to promote environmental stewardship, hands-on learning, and a sense of community through gardening projects that beautify our school and inspire sustainable practices both on campus and at home.	
Pike Precise Steppers	Tiffany McBride & Shonorah Sutton
To allow students to express themselves rhythmically through the movement of their bodies with clapping, stomping, and chants.	
Prom Committee	Qiana Miller
It's designed to be one of those "once-in-a-lifetime" events that students will look back on with nostalgia. Though the specifics vary from school to school, prom is ultimately meant to celebrate youth, friendships, accomplishments, and the journey ahead.	

RDTV - Media Team	Tambi Flye-McCall, Dan Bordenkecher & Nayeli Castro
The purpose of the club is to let students who are interested in Radio & TV, but do not have room in their schedules to take the class, have a chance to work on a production team and put together a production.	
Robo-Devils Robotics Club	John Blue & Emily Blue
The Pike RoboDevils Robotics team provide students with opportunities to get excited about Science, Technology, Engineering, and Math (STEM) by participating in robotics competitions. We also aim to help students think creatively, work as a team, and solve problems.	
Sierra Club	Leslie Sitzman
We handle the paper recycling.	
SkillsUSA	Mashonda Gilmore
The SkillsUSA Framework illustrates how students fulfill the mission of the organization: to empower students to become skilled professionals, career-ready leaders and responsible community members.	
SOUL (Sisters of Unity and Leadership)	Daija Springer
The mission of SOUL (Sisters of Unity & Leadership) is to create a safe and inspiring space where students can explore their identity, build self-worth, and grow into confident, purpose-driven leaders— both in school and in life. I also want to bring unity into a space where young women hold negative energy towards things that aren't directed towards their purpose. This club is ideal for young women— especially those from underrepresented backgrounds— who are seeking community, confidence, and a sense of direction.	
Ultimate Frisbee Club	Jason Stout
The Ultimate Frisbee Club aims to provide students with an inclusive and engaging environment where they can stay active, develop physical fitness, and enjoy the spirit of friendly competition. Our mission is to promote teamwork, build lasting relationships, and encourage a healthy lifestyle through the fast-paced and collaborative sport of ultimate frisbee. Above all, we strive to create a fun, supportive space where students can connect, grow, and enjoy being part of a community.	
Urban Agriculture (Animal Science)	Jon Pilarski
The club's goals are to give students opportunities to participate in growing food in an urban setting and provide information to our community about urban agriculture.	
Well-Read Devils (Book Club)	Jennifer Beeching-Gaines & Jessica Mohler
We create a safe space for people who love to read and discuss books. We love to explore different genres and new offers.	
YoungLife	Kevin Tichenor & Alexis Lee
The mission is to introduce adolescents to Jesus and help them grow spiritually. The vision involves deeper spiritual growth, welcoming diversity, innovating outreach, and expanding globally.
