

2025

Hello Foster Families!

I hope you've been enjoying a wonderful summer filled with rest, play, and family time! We're so excited to welcome our Falcons back for another amazing year of learning and growing together. Our team will be busy in the coming weeks preparing classrooms, planning engaging lessons, and making sure our school is ready to be a place where every student feels safe, supported, and inspired. I can't wait to see those smiling faces on the first day and kick off a fantastic year as we continue to grow as global leaders!
