**Free or Reduced Carry-Over Status Ends October 15, 2025**

AASD families approved automatically or through an application for Free or Reduced Meals for the 2024-25 school year, we want to remind you that carry-over status, which allows families time at the start of the school year to submit a new annual application, will expire on Wednesday, October 15, 2025. Please submit your completed Free or Reduced application to determine eligibility for meals for the remainder of this school year.

Although this doesn't change Foster's free lunch status for your student, it will affect the school fees and any other reduced fees you may have received by completing the new paperwork.
