Subject: A Message from Superintendent McLoughlin

Dear Montgomery Township School District Community,

I hope that the new school year is off to a strong and positive start for all of our families. I can sense the excitement and energy as I visit each of the schools.

I would like to briefly address the use of WhatsApp groups throughout our school district community. Many parents have formed these groups to connect with one another and share information and updates about our schools. The groups can certainly be useful, but I would like to clarify the district's position regarding them.

Our district and our parent-run organizations (MES PTA, MMS PTO, MHS PTSA, and MSEPTA) do not sanction, moderate, or endorse any WhatsApp groups. These groups are not officially affiliated with the district or with any of our parent organizations. Additionally, they are not monitored, protected, or secured by the district, so we cannot guarantee the privacy of communications or the safety of any details shared within the groups. Please be mindful if you share personal or sensitive information.

If you have any questions about our district or about upcoming events, we encourage you to visit our district or school websites, reach out directly to the main office at any of our schools, or contact our parent-run organizations. These are the best options to safely, securely, and accurately receive information about our district.

Thank you for your understanding and support.

Sincerely,

Mary E. McLoughlin
Superintendent of Schools
