During a typical school year, one-half credit is granted for satisfactory completion of each semester course that meets two periods per week for 45 minutes per period and two periods per week for 80 minutes, for 18 weeks. A passing grade is a “D.” Beginning in the year 2020 to current, students who do not pass their class are assigned an “N” (No Credit). The letter grades A+, A- and D- are not grading options within the LWSD.

Grade Point Average is computed using semester grades for all high school level classes. N (No credit), P (Pass), S (Satisfactory), and U (Unsatisfactory) marks are excluded from calculation of GPA. W (Withdraw) indicates the student did not complete the class.
