

CYPRESS-FAIRBANKS INDEPENDENT SCHOOL DISTRICT

Adam Elementary School

Originally Built
1972

Size
79,828 sq. ft.

Additions
1975, 2006

Renovations
2006, 2008, 2012

2014 Bond Proposal Includes:

Safety and Security

- Secured front entryway
- Buzzer door releases at front entry
- Reinforced/bullet resistant glass at front entry
- New security cameras
- Additional card reader access points
- Intrusion detection panels
- Additional "lock down" panic button locations
- Public address system interface
- Fire sprinkler system

Technology Upgrades & Improvements

- Student and teacher mobile devices
- Interactive digital display boards
- Sound enhancement systems
- Document cameras
- Library technology
- Improved high-speed wireless and Internet access
- Administrative staff technology

Transportation

- Additional buses to restore transportation services to those students living within two miles of the campus with the exception of students living within the current walk-to-stop distance of two tenths of a mile (.2)

Co-/Extra Curricular Renovations & Improvements

- Major renovation to campus
- New main entry
- Kitchen renovation

Asset Protection & Other Improvements

- Roof
- Exterior waterproofing
- Exterior wall repair
- Exterior storefront entries and windows
- Aluminum front canopy
- Interior finishes
- Interior doors in administration area
- Carpet and vinyl tile flooring
- Casework
- Marker boards
- Student restrooms
- Ceiling tile and grid
- Parking lot

CYPRESS-FAIRBANKS INDEPENDENT SCHOOL DISTRICT
