'Stellar' GCSE results

Proud parents and pleased pupils celebrated outstanding GCSE results. Months of hard work paid off as pupils received stunning results:

- **60%** of all grades at 9-7 (A*/A)
- **37%** of grades at 9/8 (A*)
- **80%** of grades at 9-6 (A*-B)
- **25%** of pupils achieved at least 9 x 9-7s (A*/A)
- **70%** of pupils got a 9/8 (A*) in at least one subject

Head, Mr Slack, said: "We are incredibly proud of our Year 11 students. This excellent set of GCSE grades is the product of a huge amount of hard work from a talented group. I look forward to welcoming this cohort back into our Sixth Form, where I am confident they will continue to excel."

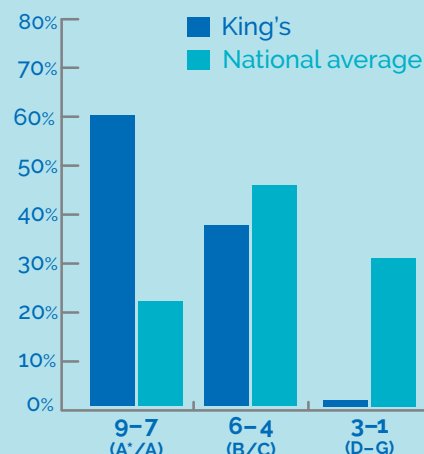

Pictured above (left to right) are:

Adeline An, who earned a brilliant 11 grades at 9 and wants to specialise in either Maths or Physics after taking four A Levels in King's Sixth Form. A Silver Duke of Edinburgh Award

holder, Adeline is a Grade 7 violinist, sings in the King's Foundation Choir and is a member of the Peak District String Orchestra.

Macclesfield Netball Club stalwart **Anya Clayton**, who is also Junior Captain at Knutsford Golf Club, got 5 grade 9s and 5 grade 8s. **Alex Cooper** got 10 grade 9s and an 8 and hopes to study Medicine at Cambridge. Fleet-footed hockey, netball and cricket star **Imogen Nugent**, who was also a bronze medalist in the Cheshire 100 metres, recorded 5 grade 9s, 3 grade 8s, 2 grade 7s and a grade 5.

Our Best-ever A Level results!

Celebrations, smiles and pride filled King's on A Level results day, as students achieved what are the BEST EVER results for King's produced by what Head of Foundation Mr Slack described as 'a wonderful group of young adults.'

The results yet again put King's amongst the very best performing schools in the region and country:

- 57% of grades were A*/A
- 83% of grades were A*-B
- 7 students achieved A*A*A*
- 50% of students achieved an A* in one subject or more

King's Head, Mr Slack, said: "For this year group to gain the best A Level results in the school's history is a tremendous achievement and testament to their hard work and application.

"What is even more special is that they are a wonderful group of young adults who ably demonstrate the school's ethos of equipping young people with the character and skills necessary to meet the challenges of an ever-changing world.

"I couldn't be more proud of their achievements, both academic and more generally. Amongst this group of wonderful students we have able linguists, scientists,

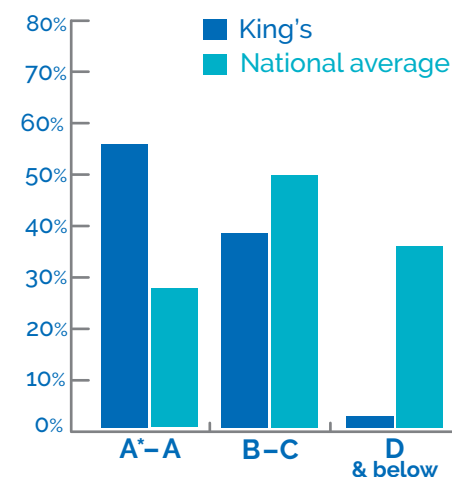

musicians, mathematicians, impressive sports people, and many future medics, engineers and lawyers to name a few. They all have the courage, aspiration and skills to go out in to the world, to succeed and contribute hugely to society."

We wish them all the best of luck!
