- Water softener update: We have received two quotes and are waiting on a quote from McClure. We asked for a quote from McClure because they are a Costars contractor. And they will likely get us the best price.
- Auditorium rigging system: The new rigging system is installed and ready to be used.
- The summer work crew has provided invaluable assistance this summer, contributing to a wide array of tasks across all campus buildings. Their dedication represents a significant asset to the Buildings & Grounds department, and I hope the board will continue to support this initiative in the future.

- Softball & Baseball fields
    - Lehigh County has not closed the permit. The water basin has areas lacking vegetation, which needs to be addressed before closure. ELA is looking into scheduling an inspection, but the bare spots are a concern.
