- Cafeteria Update
  - Mrs. Fink intends to pursue a grant to partner with local farmers to provide fresh produce in the cafeterias.

- High School Wrestling Mats
  - Dr. Rush Wallace shared information about the current wrestling mats. During a prior committee meeting the discussion was to purchase 1 Resilite wrestling mat however the lead time for getting the mat is 32-36 weeks which will not meet our needs. The recommendation is to now purchase a full set of mats (7 pieces) from Dollamur. The lifespan for the Dollamur mat is about half the lifespan of Resilite mats, however the cost for the 7 piece Dollamur mats is significantly cheaper. The Committee supports placing the purchase of wrestling mats on the September 8th Board agenda for consideration by the full Board.

- Budget Update
    - Mrs. Molitoris reported on the letter received from Governor Shapiro regarding the State budget. She also noted that PASBO notified districts today that the PSERS retirement payment is due on September 16. However, due to the absence of a finalized State budget, school districts are only required to remit their district's share of this cost at this time.

      Mrs. Molitoris further explained that our district is not currently experiencing any financial hardship. The district maintains a healthy fund balance which, if necessary, can be used to cover payroll and other financial responsibilities until a State budget is approved and State and Federal revenues are received.

      Dr. Link suggested that, if a State budget is not adopted in the near future, the Board should consider passing a resolution to withhold payments to charter schools until the budget is finalized. Mrs. Molitoris stated that she will continue to monitor the district's financial stability and will apprise the Board if the district begins to experience a financial hardship.
