

Daily Rotation Schedule 2025-2026

This calendar indicates the rotation schedule for each day classes are in session, including those days when we are having special programs, minimum days (as noted in the calendar on page one of this handbook), or delayed openings (due to weather or emergencies). We will follow this schedule even if it is necessary to close the school for any reason. The shaded dates represent holidays and vacation days. Each day (except for delayed openings) begins at 7:40 A.M. (Delayed openings begin at 9:40 A.M.)
