

Your first and best tutor is always your classroom teacher. But if you need more assistance, please call upon me...

Welcome to the Tutoring Center. I am Maureen McConaghy (Thunell) and I have been operating the Center at Dreher full time for over twenty years. I offer help in all the major academic content areas and will also help with standardized test preparation and college and scholarship essays.

Tutoring hours at the Center are staggered throughout the day. To schedule your tutoring session, please drop by Media Center Lab2 or email me at maureen.mcconaghy@richlandone.org.
