Transcripts

A comprehensive, official academic record of a student's high school coursework, grades, and achievements.

During scholarship season, remember to request transcripts early!

Can be used for college applications, scholarships, and job applications. Know the difference between an official and unofficial transcript.

When self-reporting your GPA or class rank, don't exaggerate!

PCC Transcripts

If you take classes at Piedmont Community College, it is your responsibility to request and submit your official transcript to the college of your choice.

BY-PCC Connect Hub

We are excited to introduce the BY-PCC Connect Launch Hub, located in the old Alternative Building. This will be a dedicated space for our Bartlett Yancey Senior High School students who attend classes at PCC and return to campus during unscheduled blocks. This hub is designed to be a quiet, structured, and motivational environment where students can focus, recharge, and stay connected to their academic goals.
