September 22, 2025

Dear Parent/Guardians:

Your child will be participating in the **Fall New Jersey Graduation Proficiency Assessment (NJGPA)** on **October 7-10th**. Participation will include ONLY students in the class of 2026 who were not successful on ELA and/or Mathematics previously, or who need to participate to meet the State graduation assessment requirement.

Testing will occur as follows:

Test	Day	Date	Units	Length of Time
ELA	Tuesday	October 7	1	90 minutes
ELA	Wednesday	October 8	1	90 minutes
Math	Thursday	October 9	1	90 minutes
Math	Friday	October 10	1	90 minutes
Make ups: Tuesday, October 14-17, 2025				

All testing will take place in the morning, adjusting the daily schedule. Once testing is completed, the students will resume their normal schedule. Testing times are not flexible, so please ensure your child arrives on time and well-rested for school. If there is a delayed opening or closure, testing will be rescheduled. *If your child is absent during any of the scheduled testing days, they will be required to make up the test through Friday, October 17, 2025.*

Please note, if your child does not complete or pass the required state testing, this may impact his or her graduation date. This decision would be based on the expectations of each student's sending district.

Please be aware your child will have the opportunity to participate in practice tests, as provided by the New Jersey Department of Education (NJDOE). He or she will be utilizing instructional time in preparation for the upcoming assessments.

The link below offers additional information and parent resources provided by the NJDOE.
