

Dear Community Partner,

On behalf of the Carmel Elementary PTA, I am reaching out to invite you to become a community partner in an exciting project that will directly benefit the children and families of our community. As a Title I school, many of our students face unique challenges, but every child deserves a safe, fun, and engaging place to play and grow.

Two of our current playgrounds are in great need of replacement. The total project is a major investment for our school, and this year our PTA is striving to raise \$50,000 to make a meaningful contribution toward it.. While this is just a small part of the total cost, it represents an important first step, and we can't do it without community-minded partners like you.

To show our appreciation, we have developed a four-tier sponsorship program. Depending on your level of support, your business will receive recognition through the digital sign on Bascomb Carmel Rd, school events, banners, online promotion, and other meaningful opportunities to demonstrate your commitment to education and our community's children. A detailed outline of these sponsorship levels is included with this letter.

Please note that all donations are **tax-deductible**, as Carmel Elementary PTA is a registered **501(c)(3) nonprofit organization**.

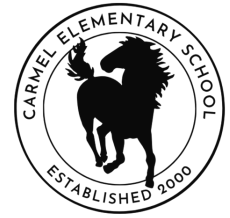

We would love for you to join us in building a brighter future for our students. Your partnership will not only help create a safe and welcoming space for play but will also send a strong message to our children that their community cares about them.

Thank you for considering this opportunity to make a lasting impact. If you have any questions, please contact carmelpta@gmail.com

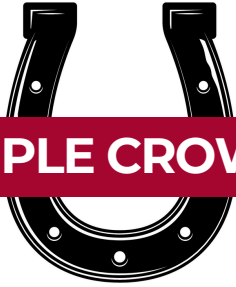

With gratitude,
Carmel PTA
