

Additional ways to support PCD

Visit PCD

Sponsorship

PCD's sponsorship opportunities provide excellent visibility for your support of Career Awareness & Preparation Activities in South Central PA.

Those opportunities demonstrate your commitment to working with schools, and your investment in our future workforce.

PCD's largest events/opportunities include:

- PCD Showcase Luncheon (in May)
- Lunch sponsors for student programs, events, and meetings
- Networking Events
- Professional Development Events
- Career Recognition Weeks Poster
- PCD's Yearly Program & Offerings Book
- Weekly Newsletters

Donation

Do you or the organization you represent have a special passion for Career Awareness and Preparation?

Do you represent a service or social club, or another community organization with a desire to help our next generation find their way to financial stability, stronger mental health, and the other social and community strengths that have been associated with effective Career Development?

PCD would like the opportunity to meet with you and your organization to discuss how you can make a difference in our future workforce, economy, and communities.

PCD graciously accepts individual, corporate, and community donations of any amount.

Time & Talent

PCD is thankful and honored to receive in-kind support from our many presenters.

At the halfway point of 2024-2025 programming, we are thankful for well over \$70,000 of in-kind support from business and industry.

We anticipate we will receive more than \$120,000 of in-kind support throughout the year from our many new and dedicated PCD partners and friends.

We encourage you and your organization to share your stories with the next generation, to enter the workforce.

Your story, your experience, and your message can provide students hope for their future.

Sponsorship:

“

I was able to ask questions and talk to a project manager about how you don't need to go to college to be successful and that helped me have a more positive thought process for after high school.

PCD CAREER CONNECTIONS

“

I've never thought about this [career], but after seeing it in first person I've changed my mind.
