

Shorewood
High School

2024-2025 SCHOOL PROFILE

Excellence Means More Here

School & Community

The first suburb north of Milwaukee on the shores of Lake Michigan, the Village of Shorewood attracts residents who support a long tradition of excellence in education. Nearly 70% of Shorewood's faculty hold a Master's Degree or higher, reflecting the district's strong tradition of academic achievement. With a shared community expectation for lifelong learning, Shorewood's curriculum is designed to prepare students with the knowledge and skills needed to thrive in college, careers, and beyond.

SHS's diverse student body thrives in a culture that values both academics and the arts. Students have access to a wide range of opportunities including athletics, music, theater, and the arts, that support growth and achievement in all areas of development.

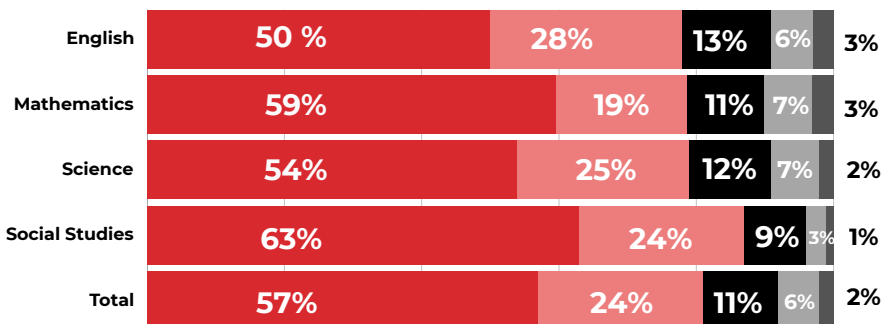

Academic Information

To graduate from Shorewood High School, students must complete four years of English; three years each of mathematics, science, and social studies; two years of integrated wellness; and one year of fine or applied arts. Reflecting our vision to prepare all students for postsecondary opportunities, many choose to go beyond these requirements, often enrolling in college-level courses. Nearly half of seniors take Advanced Placement exams. Because of the consistent academic strength of teach class, SHS does not rank students.
