

“

Well, this made me feel like I want to be an apprentice!

PCD CAREER CONNECTIONS

“

This has opened up a new eye for me now that I have insight as to what real manufacturing engineering is and what the engineers do.

So I feel that this has unlocked a new path for me.

PCD CAREER CONNECTIONS

“

Attending today was great for me because I got an idea that I need to step up my A game to get where I need to go!

PCD CAREER CONNECTIONS

“

I learned a lot of new things that were very interesting to me!

And I think that this made me realize that talking to people and having better people skills is a good thing.

PCD CAREER CONNECTIONS

“

This event has helped me gain perspective on how common it is for you to start college anticipating to be a part of one career and ending college in another.

PCD CAREER CONNECTIONS

“

It helped me realize there's more to STEM than just doctors and IT people.

80-20 rule (80% work, 20% passion).
