

Superintendent Report

July 14, 2025

The purpose of the Superintendent Report is to give the Board a high-level overview of the amazing things going on across the district.

Forest Edge Hosts Custodial Conference

Forest Edge Elementary School was proud to host the WI Association of Business Officials Summer Custodial Conference! It was a great day of learning.

A special thanks to Wisconsin Men's Head Basketball Coach, Greg Gard, for serving as our keynote speaker.

Summer Semester 2025

Summer Semester 2025 is in full swing, and we're having a great time with our students! We love being able to offer something for everything - reading, music, baking, art, movement, math, sports, and more!!

We are so grateful for our amazing teachers, paras, administrators, and interns for making this fantastic summer option available for our kids! ☀️😊

Mega Math Meet

Congratulations to Rome Corners Intermediate and Forest Edge students who participated in the Mega Math Meet this year! 🙌

What a great way to apply your learning and have a little fun!

OMS Green Team Finishes Year Strong!

Our Oregon Middle School Green Team recently wrapped up their final club meeting of the year. They celebrated by planting succulents to take home and care for throughout the summer. This enthusiastic and dedicated group met after school every Tuesday throughout the school year to deepen their understanding of sustainability and our environment. 🌱 We truly appreciate their passion for this important topic and how they continue to learn, serve our community, and enjoy the process!

A big thank you to Mr. Mahr and Mr. Mitchell for advising this wonderful team. 🙌

OHS Artists Create Sculptures for Kindergartners

Our OHS Ceramic students were paired with a kindergartener who drew an animal in that classic child style. The high schoolers were challenged to translate the flat drawing into an adorable 3D sculptural likeness. This process was a fun, engaging project that fostered creativity and collaboration. Both groups were excited to work together and thrilled with the results.

Thanks to our amazing educators - Ms. Coutre, Ms. Smith, and Ms. Strutt - for organizing this impactful activity!

OHS Artists Create Portraits for Malawi Children

Check out these amazing portraits created by our own OHS Art and National Art Honor Society members! ✨🧡 This project offered an opportunity for OHS students to connect with children across the world in Malawi who have faced substantial challenges such as violence, natural disasters, extreme poverty, and many of whom have little to no personal belongings. These beautiful handmade portraits will be delivered to Malawi this summer.

Thanks to Ms. Coutre for sharing this impactful experience with our students.

OSD Students
& Staff
Participate in
Joseph and
the Amazing
Dreamcoat
Production

👏 Congrats to OSD students and staff members who were part of the Joseph and the Amazing Dreamcoat production with Verona Area Community Theatre this summer!

👏 It was a great show and we love seeing the fun things that our students and staff members do in the summer.

Remember to Tune In to the OSD Podcast!

Make sure to check out our podcast: Inside the OSD! You can find all episodes at OregonSD.org/podcast, and anywhere you get your podcasts.

The most recent episode we did just before school ended was with the OMS Green Team and recently retired educator, Nate Mahr.

Make sure to like and subscribe to Inside the OSD wherever you get your podcasts to get the most recent episodes delivered directly to you - we have some great podcasts coming up.
