COLLEGE BOUND ATHLETES

- **Steps for Prospective College Athletes:**

  - Reach out to Ms. Hagan in the Main Office at **HaganK1@fultonschools.org** prior to requesting your transcript in the portals.
  - When taking the SAT/ACT, enter 9999 for scores to be sent to NCAA Eligibility Center.

  - Direct questions to Coach Short, Athletic Director - **ShortC@fultonschools.org**

TIPS FOR COLLEGE APPLICATIONS

- Be sure to select UNDERGRADUATE application and follow steps for Freshman applicants.
- Look for the application checklists for easy reference.
- Send official test scores directly from the testing agency, if required.
- Only use a personal email address when creating accounts – and be sure to use an appropriate email address ☺
- Use the numeric GPA that is shown on your transcript –download from Infinite Campus.
- When making accounts or setting up various portals, WRITE EVERYTHING DOWN or save it in your phone/notes app!
  - Email used
  - Usernames/Passwords
  - PIN assigned

COMMON QUESTIONS ASKED ON APPLICATIONS

TAKE A PICTURE!

Total students in Class of 2026 = **441**

Chattahoochee High School does NOT report Rank or give percentile/decile to students, parents, or colleges. Choose N/A if asked.

Only Valedictorian & Salutatorian are reported after 1st semester Senior grades are posted.

Your numeric average is **weighted** and on the **100-point scale**. DO NOT report your GPA to colleges using the 4.0 scale. **Use the numeric average listed on your transcript in Infinite Campus.**

We offer 15 Honors courses and 32 Advanced Placement courses.

APPLICATION FEE WAIVERS

- Application fee waivers are available for students who have financial need.
- If using Common Application, there is a question within the profile section where a student can request a fee waiver. Sometimes students check this box on accident which is why the counselor typically will verify the request.
- If applying direct to institution, check with the admissions office to find out their process for requesting an application fee waiver.
- Examples of qualifications (not exhaustive):
  - You are enrolled in or eligible to participate in the free or reduced-price lunch program.
  - You are eligible to receive an SAT or ACT fee waiver.
  - You are eligible to receive the Pell Grant.

FREE APPLICATION MONTHS / CODES

- Different than a Fee Waiver due to financial need - **<u>these are open to anyone</u>!**
- GAFutures will typically host a month of free applications for in-state college during November and March. Most colleges in Georgia participate in these free application periods. Students use the code provided and follow the directions posted on the GAFutures website.
- Additionally, many colleges give out free waiver codes to use at different times of the year. These are done by individual institutions, and as we find out about these opportunities, they will be posted to the Senior Canvas.

OBTAINING TRANSCRIPTS

Initial Transcript Request

- Once you add your school counselor in Common App, they will automatically send your initial transcript – no separate request needed.
- All other transcript requests must be made through ScribOrder.
  - For students under 18, a parent must upload a copy of their ID to the portal. For students over 18, the student must upload a copy of their ID.
  - If you do not have a Social Security Number, then enter 0000.
  - An email confirmation goes to the address that was entered in ScribOrder.

TRANSCRIPTS (CONT'D)

Note on Unweighted Transcripts

- UGA applicants must upload an unofficial unweighted transcript to their applicant portal after they apply via Common App. Download your unofficial unweighted transcript from the Documents tab in Infinite Campus.
- If you want your unweighted transcript sent to any colleges, please complete the **Choice Form** (available in the Senior Canvas) and submit it to Ms. Movilla-Leal in the Counseling Office. The unweighted transcript will be sent to EVERY college to which you apply, so be absolutely certain you want to choose this option!

Common Application Mid Year Report

- If your college requires a mid year report, counselors will automatically send it as soon as we have first semester grades. These are usually completed in mid-January.

OBTAINING COUNSELOR RECOMMENDATIONS

- Counselors will only write letters of recommendation if it is **required** by the college. Counselor rec letters usually do not start until November 1 deadlines.
- NO public colleges in Georgia require a counselor letter of recommendation.
- For schools that do require a counselor recommendation, students must add counselor to their Common App **AND** submit their completed Senior Brag Sheet in Canvas **at least 10 school days** (not including weekends/holidays) before the application deadline.
- Letters are never given directly to students.

COUNSELOR RECOMMENDATIONS (CONT'D)

- Almost all School Reports are completed through Common Application. Very few are done in other portals.
  - On the Common App college dashboard, add at least 1 college and click on it.
  - Complete the FERPA waiver. It is best to select "waive rights."
  - Then, go to the Recommenders tab and add your school counselor's email address (done one time – after that, the counselor is automatically linked to any other colleges you list).
  - Please be sure all colleges you intend to apply to have accurate deadlines listed. If a college is listed without a deadline, we will assume you are still thinking about the college and will not proceed with submitting documents for that school.
- If using a different application portal (ex. Georgetown, MIT, some military institutions), add your counselor's email to the website. ***Keep in mind if you enter our email incorrectly, we will not receive the request! Some invites go to our Spam mail, so please follow up with your counselor to ensure we have received the request.

COUNSELOR RECOMMENDATIONS (CONT'D)

- To see which schools require counselor recommendation letters:
  - All schools on Common App require the School Report (which includes the transcript) – but not necessarily the Counselor Recommendation. Check the Common App grid of all the schools on their portal and the required documents **https://recommend.commonapp.org/requirements** as well as the college's admission checklist to confirm.

  - For direct to institution applications, review the application checklists available on their Admissions websites.

OBTAINING TEACHER RECOMMENDATIONS

- FIRST, find out if it is even required by your college(s).
- Then, ask nicely and with plenty of advance notice ☺
  Great Resource for HOW TO ASK here.
- If the teacher has already committed to several students, they may ask you to find another teacher.
- Most are completed electronically through Common Application.
- Colleges typically want letters from an academic subject area teacher.
- Each college will tell the student how many are required, optional, or none. If a college does not accept recommendations, you cannot send them.
- For **every** college in Common App, the student will need to assign teachers to their recommender tab.
- Best practice to ask 1 or 2 teachers and assign them to all of your colleges.
- Teachers may ask for a copy of the student's Senior Brag Sheet.
- Counselors do not manage this process.

COLLEGE DEADLINES & SCHOOL HOLIDAYS

IMPORTANT: The Counseling Office requires at least 10 school days to process transcripts / school reports/ recommendation letter requests.

Reminder of popular application deadlines for colleges:

- October 15th deadline – submit requests no later than September 26th
- November 1st deadline – submit requests no later than October 10th
- December 1st deadline – submit requests no later than November 7th
- Deadline in early January – submit requests no later than December 5th

UGA's regular admission deadline is January 1st
Georgia Tech's regular admission deadline is January 5th

*****Please Note: teacher workdays, weekends, and holiday breaks do not count as school days! Counselors do not process or submit college application materials during those times. Remember, major deadlines are a high-volume time in the Counseling Office. Get organized and plan ahead!*****

GEORGIA MATCH

- GSFC/GAfutures will mail GEORGIA MATCH letters in October to current Seniors.
- Also can access them via your GAfutures account.
- Colleges listed on your GEORGIA MATCH letter are an initial academic match based on your HOPE GPA. There may be other requirements you must meet in order to be eligible for admission (ex. test scores).
- Review the FAQs to answer questions and navigate to the GAfutures Student Dashboard to view a PDF of their letter and list of colleges that are on their letter.

GRADE POINT AVERAGE

GRADE POINT AVERAGE

- Many forms of GPA exist:
  - Cumulative = all classes attempted
  - Academic/core = only certain subject areas (typically English, Math, Science, Social Studies, and some Career Tech) and might include HS classes taken in MS
  - Weighted = includes Honors points earned in Honors, AP, & DE courses
  - Unweighted = excludes Honors points
  - HOPE/Zell Miller GPA = includes only academic classes (plus certain Career Tech) taken in high school and is re-weighted – see next slide
- There is **not** a universal way that colleges calculate GPAs for admission! We strongly suggest students find out what is included in the GPA calculated by the Admissions Office at each of the colleges they are applying to.
- Cannot convert your Fulton County GPA (100 point scale) directly to the 4.0 scale – you must convert every individual grade on your transcript to the 4.0 scale, then calculate the average of those grades.

Fulton County Cumulative Numeric Average	HOPE/Zell Miller GPA
100-point scale	4-point scale A=4.0, B=3.0, C=2.0, F=0.0
All grades on high school transcript are included, including failed classes that have been retaken. Includes high school classes taken in middle school, academic/core, electives, etc.	All academic/core courses taken in high school (English, Math, Science, Social Studies & World Lang), including failed classes that have been retaken. Includes academic electives (ex: Yearbook, Newspaper, Peer Leadership, Sociology, Math Support) and some Career Tech classes (ex: Essentials of Healthcare, AP Comp Sci Principles / A)
Weighted (includes the additional 7 points added to final passing grade for each Honors, AP, & DE course)	Reweighted (7 honors points are removed before converting to the 4.0 scale, but then additional 0.5 quality points added to AP & DE courses, up to a max of 4.0)
Calculated by Fulton County and posted on high school transcript	Calculated by Georgia Student Finance Commission after graduating. Students must have at least 4.0 **rigor credits** as defined by GSFC.

Students should monitor their HOPE progress GPA via their GAFutures account at **www.GAfutures.org**

COLLEGE VISITS AT HOOCH AND ON-CAMPUS

College visits at Chattahoochee:

- Students can register for a maximum of **7 college visits at Chattahoochee per school year**.
- Please talk with your teacher prior to signing up to ensure you do not miss important material or a quiz/test day.
- Students should **research the colleges** prior to the visits and **come prepared with questions** for the representative
- College visit dates will be posted in SchooLinks (coming soon, activated by the district this week) and are often on the sandwich board in front of the Counseling Office.

Off campus college visits:

- Students are allowed to take up to 5 remote participation days per semester and up to 6 pre-approved absence days per school year. **Students are highly encouraged to use remote participation days first, as those mark you as present for the day.**

PAYING FOR COLLEGE

FREE APPLICATION FOR FEDERAL STUDENT AID

- FAFSA is scheduled to open on October 1st this year. This is a FREE application that students complete to be considered for federal financial aid. Filling out the FAFSA is the only way to apply for federal financial aid.
- https://studentaid.gov/apply-for-aid/fafsa/filling-out

Gathering Needed Documents

You might need the following information or documents as you fill out the FAFSA form:

- Your parents' SSNs if they have SSNs and you're a dependent student
- Tax returns
- Records of child support received
- Current balances of cash, savings, and checking accounts
- Net worth of investments, businesses, and farms

Keep these records! You may need them again. **Do not mail these supporting records to us unless otherwise instructed to do so.**

How Financial Aid Works

01	02	03	04	05
Start Planning Early	Fill Out the FAFSA® Form	Review Your Aid Offer	Get Your Aid	Repay Your Loans

- First step is to create a StudentAid.gov Account for the 2026-2027 Form.
- Anyone who is required to provide info on the FAFSA form needs their own account before accessing and completing their section of the online form. Best to do this before starting the FAFSA form.
- Students are allowed to list up to 20 colleges to receive your information. The order of schools does not matter.
- Always check the college Financial Aid webpage for each college for specific info for their processes. Some schools require the CSS profile in addition to the FAFSA.
- Utilize the net price calculator to get a more accurate calculation of what you may owe in order to attend.
- **Chattahoochee High School will host a Financial Aid Night later this semester. Date is TBD.**

SCHOLARSHIPS

- Institutional Scholarships - The college may offer scholarships to incoming freshmen based on a given criteria. These can generally be found on the financial aid website for the college/university.

- Local Scholarships - Provided by local organizations such as employer sponsored scholarships, banks, Boy Scouts, Girl Scouts, church groups, service organizations, etc.

- National Scholarships - Nation-wide scholarship programs often offer large awards, but they may elicit large numbers of students applying such as Coca Cola, Hispanic Scholarship Fund, Quest Bridge, Gates Foundation, etc.

- Academic Common Market - Southern Regional Education Board's (SREB) Academic Common Market is in agreement between ~14 states that allows students to attend other state's schools for in-state tuition, if a public school in your home state doesn't offer the degree you wish to pursue. Certain steps, including documentation, must be followed.
  Academic Common Market
