Subject: Notice of Cancellation of Solicitation and Intent to Award

This Notice of Cancellation is regarding York School District One (YSD1) solicitation #2025-0611 for the sitework package for the new Middle School. This Notice of Cancellation is in accordance with Procurement Codes 1520 and 2085.

Due to delays in permitting at the county, York School District One's intent to begin pre-grading the Middle School site prior to soliciting the building package could not be accomplished. It has been determined it is in the best interest of the District to:

- 1) Cancel the Intent to Award associated with solicitation #2025-0611
- 2) Cancel solicitation #2025-0611
- 3) Re-solicit the sitework package in with the building package for YSD1 solicitation #2025-0911

We regret any inconvenience this cancellation may cause. We hope that Upstate Grading will participate in the re-solicitation of services in solicitation #2025-0911.
