TOGETHER WE MAKE A DIFFERENCE

Week at a Glance

Reading Initiative (Flex Friday) -- -- NMS Reading Challenge. We are encouraging NMS students to read more! To help along the way, we will be devoting Friday Flextime to independent reading.

Late Nights & late buses started the week of September 15th. Late nights are Tuesday, Wednesday and Thursday. For more information about late buses see our [website](#)

Peggotty Beach (9/26) -- 8th grade students will be exploring erosion at Peggotty Beach on Friday, Sept 26th, rain date Monday, Sept 29th.

Red Team students will go to Peggotty beach in the morning and the Blue team students will leave from the cafeteria after lunch for the rest of the day .

Virtual Author Visits (9/30) -- NMS has five virtual author visits hosted by Kwame Alexander (author of The Crossover) for the 6th grade. They will be reading The Crossover this fall with our ELA classes, so this is pretty exciting! The first meeting is on Tuesday, September 16th @1:00PM (Literacy Pep Rally).

Author Study with Kwame Alexander is an interactive, virtual author visit series that brings Kwame Alexander and other notable authors into classrooms. And while it's fun for students, Author Study supports literacy learning goals. Most important, it celebrates the power of words and individual expression. Research shows that interaction with authors boosts students' motivation to read and write on their own. And agentive reading and writing leads to higher literacy achievement across subject areas.

Technology Fee Payment

Norwell is offering a technology fee program to repair and/or replace a broken iPad. The program helps replace your child's iPad quick and efficiently withing a 24 hour period. The fee is \$50 and can be paid online. [Pay online here](#)

TOGETHER WE MAKE A DIFFERENCE

Back-to-School Night

Parents enthusiastically attended Wednesday night's presentations, where staff shared valuable insights into their classrooms, curriculum, online gradebook, Schoology, and more. It was an informative evening that highlighted the supportive environment at NMS, focused on fostering both academic achievement and social-emotional growth.

The presentations covered instructional practices, team collaboration, exploratory courses, electives, upcoming events, and the spirit of giving that defines our school community.

A heartfelt thank you to our dedicated staff for their hard work and preparation in making Back-to-School Night a great success—and sincere thanks to all the parents who joined us for the evening!

Back-to-School Night

PTO

PTO DUES -- We are requesting a contribution of \$50 per child. 100% of student dues are directly applied to support the school, our staff, and our students. Learn more on our Website: NorwellMiddleSchoolPTO.org or on our Norwell Middle School PTO FacebookPage or Instagram!

The PTO spends an average of \$68 per student each school year, but thanks to the annual NMS Turkey Trot 5k (on Sunday, November 23rd), we are able to keep our student dues relatively low, while providing support to our students, staff and NMS families.

The second PTO meeting of the year is FRIDAY, October 3rd @ 9:15am in the NMS Cafe or on ZOOM.

KINDNESS CORNER

"Perhaps we all need some measure of unmerited grace." - Bryan Stevenson

Thank you to AJ LaCara for suggesting a nice movie for the 6th grade Friday lunch reward. Shout out to Wilder Bailey and Daniel Le for moving their seats at lunch and making room at their table. Ben Loring and Noah Beltrami were recognized by their teacher for being positive and kind to classmates. Thank you to Tsvetelina Crain for always being kind to staff and students. Emma Phan got a shout out from classmates for being helpful and supportive.

Don't forget to fill out the form below to give your friend/classmate a kindness shout-out!

Author Study w/ Kwame Alexander

Author Study with Kwame Alexander is an interactive, virtual author visit series that brings Kwame Alexander and other notable authors into classrooms. And while it's fun for students, Author Study supports literacy learning goals. Most important, it celebrates the power of words and individual expression.

Author Visits

During every 45-minute virtual live stream, students learn directly from celebrated, published authors. Each session includes...

- A book talk and read-aloud from a favorite book
- A brief writing craft lesson - with a handout emailed to registrants before and after
- A conversation with a special guest author (sometimes two!), with time for questions from students
- A live Q&A session with Kwame, taking select questions from attendees in the chat.

Research shows that **interaction with authors boosts students' motivation** to read and write on their own. And agentive reading and writing **leads to higher literacy achievement** across subject areas.

Hey Parents!!!

Flex Friday

Reading Initiative

Every
Friday

Remind your student to pack a book for Flex Friday. During Flex Block, kids read a book they enjoy.

How else can I help?

1. Bring your student to the local library or go online to help them download high interest books and audiobooks.
2. Keep it going at home. Encourage reading as a daily habit.

YEARBOOK CLUB

Are you an 8th grader who enjoys taking photos? Are you artistic? Do you like designing things on a computer? Want to leave your mark?

Join the Yearbook Club!

What is it?

A group of creative 8th grade students who will build the NMS yearbook from the ground up by taking photos of school activities and events, designing the yearbook pages and cover, and helping market and distribute our yearbook.

If are interested in being a part of the yearbook, join us for our first meeting during 8th grade flextime on Tuesday, 9/23, in Mrs. Higgins' room 242. Or, contact Mrs. Higgins or Mrs. Finn.

Technology Fee Payment

Norwell Public Schools will continue offering an optional Technology Fee Program for iPad repairs and replacements. This program is geared toward quick and efficient student iPad replacement by swapping out the iPad within a 24-hour period. This fee is only for students in Middle and High School.

The fee is \$50.00.

The initial Technology Fee can be paid online [HERE](#) or by check made out to the Town of Norwell with "tech fee and the name of the student" in the memo line.

The deadline for the 2025-2026 school year is September 30, 2025. The option to pay will not be available after that date.

Families have the option of obtaining private insurance coverage for iPads or selecting no coverage at all. To see the details for each of these coverages, please click [HERE](#).

Morning Drop-Off and Afternoon Pick-Up Procedures and Helpful Tips

Morning Drop-Off Information and Procedures

- ☐ Parents can drop-off students as early as 7:00 AM as there is supervision by NMS staff in the cafeteria beginning at 7:00 AM
- ☐ Students need to be in their homeroom by 7:25; traffic has been heaviest at 7:20.
- ☐ Dropping students off earlier is recommended.
- ☐ When traffic is heavy, cars should pull as far forward as possible around the curve to the end of the canopy (closer to the Sparrell building). Students do not need to be dropped off right in front of the door.
- ☐ No car should park in the drop-off lane nor should a driver leave their car. If a student needs help carrying items into the school or the driver needs to exit the car, the car should be parked in the designated lot.

Afternoon Pick-Up Information and Procedures

- ☐ The school day ends at 1:58 PM. By nature of their schedule and location in the building, sixth grade students tend to leave the building first and seventh and eighth graders whose lockers are upstairs tend to leave the building a little later.
- ☐ Students exit from the front door or the cafetorium. Parents do not need to come into the building to pick-up their children after 1:58; students may exit the building for their ride.
- ☐ You do not need to pick-up your student right at 2:00. In the past, traffic has been heaviest between 1:50 - 2:10. If you can pick-up between 2:10 and 2:15, your entry and exit from the school parking lot will likely be quicker and you will contribute to less traffic.
- ☐ If arriving before 1:58, please follow traffic patterns and pull as far forward as possible to accommodate more cars.

Additional Information

- ☐ As always, please drive slowly and cautiously. Be aware of students crossing the road to the parking lot areas.
- ☐ Be careful entering the school driveway from Main Street as cars leaving and turning left are in a left turn lane in the middle of the driveway.
- ☐ Drop-off and pick-up in front of the Sparrell building and on Main Street are not allowed.
