

Superintendent's Weekly Message

September 19, 2025

It's another beautiful Friday :)

We've had a GREAT week in SFISD! Our Varsity Indians **Football Team** brought home a big district WIN last night. "Thursday Night Lights" has never been better! Our **Junior High Volleyball Team** also had some big wins at home last night, and they are currently undefeated. Let's GO Indians!!

Our **Junior High Cross Country** teams had their first MEET of the year this past Wednesday. This is a new program for SFJH, and they had outstanding results. Thank you to Coach Pomes and Coach Schoen for all your hard work with these athletes.

Last but not least, our **Varsity Volleyball Team** took away a big WIN against Iowa Colony this past Tuesday. They are currently 3-0 in District Play. Great work, Lady Indians!

Next Tuesday, September 23rd, we are recognizing **Education Technology Day** for SFISD. Please join us in thanking ALL of our campus and district technologists. We are thankful for you.

We want to give a big shout-out to Mr. Dunn and Ms. Tuttle. They are taking our **FFA Livestock Judging Team** to Brenham for their first Livestock Judging Contest. Best wishes and safe travels :)

That's all for now! We have LOTS of great district events coming up next week. As always, we invite you to come cheer on our Indians.

Have a blessed weekend,

~ KB
