AFTER SCHOOL SOCCER TEAMS!
FALL SEASON 2025

INCLUSIVE & FUN PARTICIPATION

We are all about the joy of sports! There are no tryouts and no previous playing experience is needed!

COOL UNIFORMS

All players receive their own Team Explorers jersey with their registration!

HIGH-QUALITY COACHING

Soccer Stars of South Denver provide the coaches, so your child will get great instruction from highly-trained, fully background-checked coaches!

CONVENIENT SCHEDULE

All practices are on site at Coronado right after school. Parents do not need to be present for practices and will pick up their child afterwards.

GAME DAY!

In addition to your after-school practices, all teams will play in a real soccer game against a neighboring school! Games will take place at our mid-season and end of season soccer festivals at the Foothills Sports Arena on the weekends to ensure that families can come and cheer us on! Let's show our Team Explorers spirit!
