YAY for 5th Grade

We had another wonderful week together! Next week will be our first time putting two full weeks in a row, and we are looking forward to the routine and momentum that will bring.

Grandparents Day is coming up next Friday, the 26th, and we are excited to celebrate with you!

If you prefer that your child *not* go home with their grandparent that day, please email the office to let them know. This year, the default will be that students may leave with grandparents unless the office hears otherwise from parents.

Reminder: As weather changes please have students bring a jacket with them to school.

Birds of Prey**Sept. 24****12:30-1:30**

This one-hour program includes a Bald or Golden Eagle, an owl, a falcon, and features a free-flying hawk. Students learn about the importance of different raptor species, their specially adapted tools, and their role in our ecosystems. (*Due to the size of the room this is a student only presentation.*)
