Dear PBIS Colleague,

Congratulations!

On behalf of California PBIS, we are proud to recognize **North Salinas High School** of **Salinas Union High School District** for successful implementation of PBIS at the **PLATINUM** level. This recognition reflects your school's excellence in putting the core features of PBIS into practice. With over **2,500** schools applying for recognition this year, earning this honor places your school among an elite group – an achievement you and your team should be incredibly proud of!

To acknowledge this honor, your school's name will be listed on the California PBIS website and featured at the Tenth Annual California PBIS Conference in Sacramento, October 8-10, 2025 - click here to view the event webpage. California PBIS is excited to welcome and honor our awarded schools at this year's conference to celebrate recognition achievements and highlight their commitment to PBIS implementation.

The level of recognition received reflects the award you applied for or the level for which you were qualified. If you did not meet the requirements of the level for which you applied, the California PBIS Recognition Committee evaluated your application for other levels to determine the appropriate recognition award.

We sincerely appreciate your hard work and commitment to implementing PBIS with fidelity and creating the conditions to maximize social, emotional, and behavioral outcomes for ALL students. Congratulations again on this outstanding accomplishment!

Sincerely,

California PBIS
