

## **Ten Commandments Posters**

In 2025, the 89th Texas Legislature passed a law (Senate Bill 10) requiring Texas public schools to display Ten Commandments posters in every classroom. The district did not use taxpayer funds for the posters; instead, it accepted a donation of posters. The law requires districts to accept donations of posters.

You may read the full text of the law on the district's website:  
<https://www.g-pisd.org/tencommandments>.

Comments regarding the poster should be directed to the offices of your state representative or state senator, or the governor's office.
