6th Grade – Math Syllabus
Teacher: Ms. Brittany

Course Introduction:
enVision Mathematics was designed to provide students rich opportunities to build understanding of important new mathematical concepts, develop fluency with key skills necessary for success in algebra, and to gain proficiency with the habits in mind and thinking dispositions of proficient mathematics students.

Curriculum:
enVision Mathematics Tennessee 2024 Grade 6

*All standards taught can be found at
https://www.tn.gov/education/instruction/academic-standards.html*

Class Materials:

- Pencils
- Highlighters
- Binder (shared with Science)
- Notebook Paper (shared with Science)
- Tab Dividers (shared with Science)

Classroom Rules:

1. Respect yourself, your classmates, your teachers, and your school.
2. Be prepared for class.
    a) You must have your binder and notebook/workbook.
    b) Homework
    c) Pencil bag with pencils and colored pencils
    e) Loose-leaf paper
3. Please raise your hand and wait to be called on when asking a question or adding to the class discussion.
4. Please stay seated and attentive while the teacher or classmates are talking.
5. All other school rules apply.

Classroom Procedures:
Our classroom has many procedures to ensure learning is occurring continually. Students will learn the procedures in class and be expected to use the procedures daily. These procedures will include:

- ➔ Walking down the hallway.
- ➔ Lining up to leave the classroom.
- ➔ Entering the classroom and beginning your bell ringer.
- ➔ Transitioning from one activity to another.

➔ Bathroom procedures.

Discipline Policy: Broken classroom or school rules will result in the following: (Midway Policy)

1st offense: Lonely Lunch, Redirection, Mark on Behavior Chart
2nd offense: No Recess, Redirection, Mark on Behavior Chart, Message Home
3rd offense: Specials Detention & Citation, Redirection, Mark on Behavior Chart, Phone Call Home
4th offense: Office Referral, Redirection, Mark on Behavior Chart, Phone Call Home

SEVERE CLAUSE: Infractions are so severe that the student automatically receives the Principal's attention.

1. Malicious destruction of school or student property.
2. Physical harm to any adult or student.
3. Blatant disrespect of authority.

Students **MAY NOT attend field trips if their behavior has been extreme. Please refer to the handout sent home and signed at the beginning of the year.

Food/Drinks Policy/:
Students may bring a water bottle with a twist-on lid to drink during class. **Please do not bring cups without lids. Your child will move a lot and it is easy to spill. Soda and gum will NOT be permitted in class.** Students may bring soda for their lunch. Students must clean up after themselves to keep this privilege.

Cheating Policy:
Any student caught cheating will receive a zero on the assignment and parents will be notified.

Absence and Late/Missing Work Policy:
When your student returns to school from being absent, it is their responsibility to ask their teachers for any missing work. **These assignments should be completed at home or after classwork is completed**. Students will be given one extra day for assignments per day that the student was absent. (Extended time will be given for prolonged absences.) If your child missed a quiz or test while out, they will complete the quiz/test in their classroom with the teacher during special classes. If students do not complete the missing assignment, their grade on the assignment will remain a zero. Students will be deducted 5 points each day that an assignment is late.

Grading Policy: Various assignments such as homework, tests, classroom participation, quizzes, binder, and worksheets will be taken to determine each student's grades. Every student earns their grade and must work hard in and out of class. Students may be offered a redo opportunity on certain assignments, which

will be up to the teacher's discretion. Students MUST SHOW WORK on redo assignments. I will not accept it if it only has the corrected answers. It is up to them to take this opportunity to do so. If students lose their original graded assignment, they no longer have the chance to re-do that assignment.

Technology Use: Students will often have assignments online, such as Google Classroom, Brain Pop, IXL and the curriculum based XLs.. Students will be allowed to use computers during a specific time in class. Students' chromebooks will be taken up by their teacher if they are misusing the device in any way (physical damage or inappropriate use)

- IXL – Login through Clever
- Google Classroom – Login through Gmail
- Curriculum – Login through Clever
