Timothy P. Carter – Superintendent

From the Desk of Tim Carter:

Dear Wilson CSD Families and Staff,

For my first From the Helm for the 2024-2025 School year below is a Welcome Back message using the theme from my opening message to staff about the value of Kindness:

Welcome back to what I am sure will be an exciting and fulfilling school year! I hope you all had a relaxing, restful, and enjoyable summer, and are now ready to embark on a new journey of learning, growth, and connection.

This year, I would like to focus on a theme that I believe continues to transform our school environment in remarkable ways: **Kindness**. Kindness is more than just a word; it is a powerful action that creates bonds, builds trust, and strengthens our community. As we navigate through the challenges and opportunities this school year brings, I encourage each of us to lead with kindness in all that we do.

Whether it's a smile to a student, a helping hand to a classmate, or a word of encouragement to a teacher, acts of kindness—no matter how small—can have a lasting impact. Let's make our school a place where everyone feels valued, respected, and supported.

This year, let's commit to showing kindness in our classrooms, hallways, and beyond. Together, we can create a positive and inclusive environment where everyone has the opportunity to thrive.

I'm excited to see all that we will accomplish together this year, and I am confident that with kindness at the forefront, we will make it our best year yet.

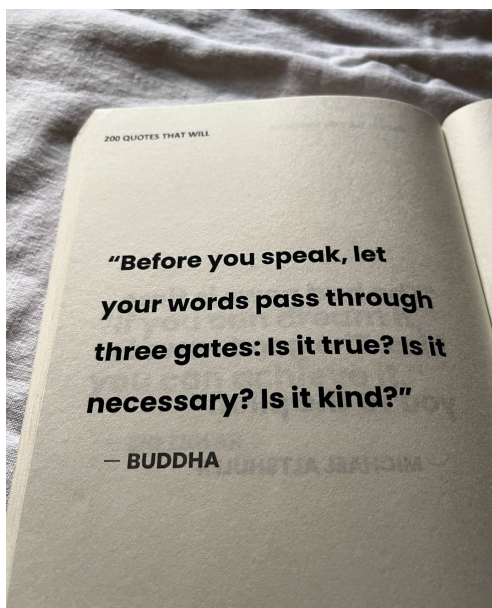

Welcome back, and here's to a year filled with learning, laughter, and kindness!

Have a wonderful weekend and enjoy the time with your family!

Updates

Eagle Scout Project- One of our Wilson High School Students, Max Harmon, requested and was approved to perform his Eagle Scout Service Project at the Wilson Central School District. This involved redoing the Sarah Johnson Memorial located in the soccer complex. Max let me know this week that on Labor Day he finished with the first day of the project. The whole area is cleaned out and there's new wood along the fence. On Sunday, September 8, 2024, he plans to finish the Memorial Project. Attached is a picture of what the area looked like before and after.

Opening Day With Staff- Tuesday, September 3, 2024, was our opening Superintendent's Day with all Wilson staff. In the morning, I met with the District's staff and gave my opening message and opening charge. Besides recounting my awesome summer and hoping the staff also had a relaxing and fun summer, we discussed the goal-setting process. I centered my opening message on the value of kindness, which I mentioned above. Teachers and staff had the opportunity to attend their building/department-level staff meetings and work in their classrooms or offices to prepare for the return of students. It was a great start to the 2024-2025 school year.

2024-2025 Charge
