Each student will have the educational opportunity to reach his or her maximum potential by challenging all students to higher levels of achievement. Timothy P. Carter – Superintendent

From the Desk of Tim Carter:

Dear Wilson CSD Families and Staff,

As we continue our journey of learning and growth together, I'd like to share a quote that beautifully captures the essence of mindfulness and intentional action:

"Before you act, listen. Before you react, think. Before you spend, earn. Before you criticize, wait. Before you pray, forgive. Before you quit, try." -Ernest Hemmingway, Author

These words remind us of the power of patience, thoughtfulness, and perseverance. Whether in our classrooms, hallways, or daily interactions, let's embrace these values. Let us listen deeply before we act, reflect carefully before reacting, and, most importantly, extend kindness and forgiveness to ourselves and others.

Together, we can create a community that thrives on understanding, respect, and resilience.

Have a wonderful weekend and enjoy the time with your family!

Timothy P. Carter

Thought of the Week

Before you act, listen. Before you react,
think. Before you spend, earn. Before you
critize, wait. Before you pray, forgive.
Before you quit, try.

Updates

Eagle Scout Project- One of our very own, Sophomore Max Harmon, has completed his Eagle Scout Project. Max has been part of the Wilson Soccer program since he was three years old. After noticing that the Sarah Johnson Memorial, located near the concession stand of the soccer complex, needed some much-needed maintenance, he decided to give back to the Wilson Community. Max and a crew of volunteers have been doing some landscaping, weeding, replacement of wood borders, and adding benches. Max has also been working with Mr. Baker

and Mrs. Lepsch to create a plaque so that visitors will always remember Sarah. A huge thank you to Max, the volunteers, and the many Wilson community members who donated supplies for the project.
