Wilson Central School District:

Each student will have the educational opportunity to reach his or her maximum potential by challenging all students to higher levels of achievement. We will provide the environment, encouragement, and instruction to meet this goal while developing the whole child physically, socially, emotionally, and culturally

Wilson Central School District
Timothy P. Carter – Superintendent

From the Desk of Tim Carter:

Dear Wilson CSD Families and Staff,

As we continue our journey through this school year, I want to share a thought that reflects the essence of personal growth: "Success means having the courage, the determination, and the will to become the person you believe you were meant to be."

Success is not simply about achieving goals or obtaining recognition. It's about the inner strength to pursue your true potential, even when the path is challenging. It's about having the courage to dream, the determination to work hard, and the will to keep going when faced with obstacles.

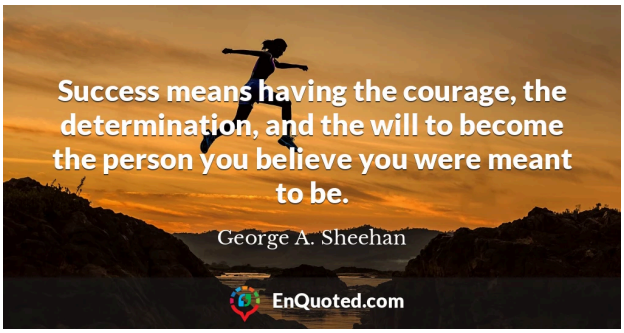

Each of you has a unique purpose, a vision of the person you want to become. Let this be a reminder that success is within your reach when you commit to that vision. Whether in academics, sports, friendships, or personal endeavors, trust in your abilities, embrace your journey, and remain steadfast in your pursuit of growth.

Together, let's create an environment where each member of our community is encouraged to believe in their potential and supported in their pursuit of success.

Have a wonderful long weekend and enjoy the time with your family!

Timothy P. Carter

Thought of the Week

Updates

Wilson Music Department Variety Show- On Wednesday, October 16, 2024, my wife and I attended the Wilson Music Department's Variety. The show was a tremendous success, showcasing the incredible talents of our students. From singing and dancing to playing instruments and telling jokes, our students truly rocked the auditorium. The energy and creativity on display were simply outstanding, proving that we have an abundance of student talent in our school district. A special thank you to the Wilson Music Parents Association (WMPA), Mrs. Andres, Ms. Birkman, Mrs. Jeffords, and Mrs. Mercurio for their dedication to organizing and preparing the students for this amazing performance. We would also like to extend appreciation to Ms. Henzel and the stage crew for their hard work behind the scenes. It was a wonderful show.

Interview- Check out Junior Aiden Neumann's interview with Hoops & Highlights on WEBR Radio! The interview begins around the 8-minute mark.
