Wilson Central School District:

Each student will have the educational opportunity to reach his or her maximum potential by challenging all students to higher levels of achievement. We will provide the environment, encouragement, and instruction to meet this goal while developing the whole child physically, socially, emotionally, and culturally

Wilson Central School District
Timothy P. Carter – Superintendent

From the Desk of Tim Carter:

Dear Wilson CSD Families and Staff,

As we move forward together as a school community, let's remember that one of our greatest regrets at the end of life will be the lions we didn't chase. When we look back, it won't be the things we tried that stay with us but the dreams we didn't pursue, the risks we chose not to take, and the opportunities we let slip by.

Each day presents us with new chances to grow, take risks, and push beyond what feels comfortable. It's easy to shy away from challenges, but often, what scares us most are the very things meant to stretch and transform us. Let's commit to stop running from these fears and start chasing the opportunities that come our way, trusting that they're placed in our paths for a reason.

As we learn, explore, and make memories, let's embrace each day with courage. Together, let's inspire each other to take bold steps toward the futures we're meant to create.

Have a wonderful weekend and enjoy the time with your family!

Timothy P. Carter
