

Wilson Central School District:

Each student will have the educational opportunity to reach his or her maximum potential by challenging all students to higher levels of achievement. We will provide the environment, encouragement, and instruction to meet this goal while developing the whole child physically, socially, emotionally, and culturally

From The Helm

November 15, 2024

Wilson Central School District
Timothy P. Carter – Superintendent

From the Desk of Tim Carter:

Dear Wilson CSD Families and Staff,

As the vibrant colors of fall fill our landscapes and the crisp air settles in, I wanted to take a moment to convey the message that the season of fall reminds us of the beauty of change, resilience, and growth, and I see these qualities reflected daily in our students, teachers, staff, and families.

Our students continue to inspire us with their dedication and curiosity, and our staff's commitment to creating a safe, inclusive, and engaging environment has been remarkable. Each day, they bring passion to their work, ensuring that every child feels valued and encouraged to learn.

We are also deeply grateful for the ongoing support of our families and community members. Your involvement, whether through volunteer work, participating in school events, or simply reinforcing positive messages at home, plays a crucial role in our students' success.

As we look ahead, we are excited about the many events and initiatives we have planned for this season that engage and enrich our students' experiences. We encourage you to stay connected, participate in these events, and continue to share your feedback. Together, we are building a school environment where every student can thrive.

Wilson Central School District:

Each student will have the educational opportunity to reach his or her maximum potential by challenging all students to higher levels of achievement. We will provide the environment, encouragement, and instruction to meet this goal while developing the whole child physically, socially, emotionally, and culturally

Thank you for your unwavering commitment and trust in Wilson Central School. I wish each of you a wonderful fall season filled with joy, warmth, and meaningful connections.

Have a wonderful weekend and enjoy the time with your family!

Timothy P. Carter

Thought of the Week

Updates

BMI Survey Notification- As part of a required school health examination, a student is weighed, and his/her height is measured. These numbers are used to figure out the student's body mass index or 'BMI'. The BMI helps the doctor or nurse know if the student's weight is in a healthy range or is too high or too low. Recent changes to the New York State Education Law require that BMI and weight status group be included as part of the student's school health examination. Wilson Central School District has been selected to be part of the survey, we will be reporting to the New York State Department of Health information about our students' weight status groups. Only summary information is sent. No names and no information about individual students are sent. However, you may choose to have your child's information excluded from this survey report. The information sent to the New York State Department of Health will help health officials develop programs that make it easier for children to be healthier. If you do not wish to have your child's weight status group information included as part of the

Health Department's survey this year, please contact the school's health clinic to let the nurses know.

Wilson Elementary School Clinic- 716-751-9341 ext. 160

Wilson High School/ Middle School Clinic- 716-751-9341 ext 125/127

Wilson High School Student Council- The High School Student Council will be collecting non-perishable food items in all Social Studies classrooms from November 12-November 22. The donations will be taken to the food pantries in Wilson and Ransomville before Thanksgiving break. If you would like to donate cash, you may bring it to Mr. Stack, and he will make sure it gets to the food pantries. Your help and encouragement will go a long way in making this food drive a success.

National Technical Honor Society Induction Ceremony- On Thursday, November 14, 2024, Mr. Galgovich and I attended the Niagara Technical Centers National Technical Honor Society Induction Ceremony. It was a great event. Congratulations to Madison Boyce, Madison Chase, Sean Kropp, and Joey-Dane Jones on their induction into NTHS. Out of all the high school students in the United States, the National Technical Honor Society students who receive this honor comprise 1.6 percent of that population. The students had to maintain an 89.5 grade average in their Career and Technical Education programs and an 84.5 average at their high schools, have superior attendance, exemplary behavior, be a member in good standing with SkillsUSA, and have a recommendation from a faculty member.
