

Wilson Central School District:

Each student will have the educational opportunity to reach his or her maximum potential by challenging all students to higher levels of achievement. We will provide the environment, encouragement, and instruction to meet this goal while developing the whole child physically, socially, emotionally, and culturally

January 10, 2025

**Wilson Central School District
Timothy P. Carter – Superintendent**

From the Desk of Tim Carter:

Dear Wilson CSD Families and Staff,

As we step into the new year, it is a wonderful time to reflect on the past and look forward to the future with renewed hope and determination. One powerful way to embrace the fresh start of the new year is through setting New Year's resolutions.

New Year's resolutions are more than just promises to ourselves; they are opportunities for growth, learning, and self-improvement. Whether it's striving to do better in school, improving relationships, becoming more organized, or taking care of our physical and mental well-being, resolutions help guide us toward our goals. They remind us that we have the power to shape our own futures.

As a school community, setting and supporting each other's resolutions can strengthen our bonds and create an environment where everyone thrives. Let's encourage each other to set realistic, positive goals and celebrate the small victories along the way. It's important to remember that setbacks are a natural part of progress—what matters is how we rise and keep moving forward.

Let this year be a time of personal and collective growth. Together, we can make 2025 a year filled with achievements, kindness, and the joy of working towards our goals.

Wishing you all a happy, healthy, and successful new year!

Wilson Central School District:

Each student will have the educational opportunity to reach his or her maximum potential by challenging all students to higher levels of achievement. We will provide the environment, encouragement, and instruction to meet this goal while developing the whole child physically, socially, emotionally, and culturally

Have a wonderful weekend and enjoy the time with your family!

Timothy P. Carter

Thought of the Week

Updates

Page Turners Club - Congratulations to our new Page Turners Club, as they had their first competition this week and did very well. Pretty exciting to have our students competing against other schools and showing off their literacy skills. Thank you to Dana Prebus, and Amy Kurtz for all of their hard work with them!
