

Wilson Central School District:

Each student will have the educational opportunity to reach his or her maximum potential by challenging all students to higher levels of achievement. We will provide the environment, encouragement, and instruction to meet this goal while developing the whole child physically, socially, emotionally, and culturally

From The Helm

January 17, 2025

**Wilson Central School District
Timothy P. Carter – Superintendent**

From the Desk of Tim Carter:

Dear Wilson CSD Families and Staff,

As we continue to grow, learn, and support one another, I am reminded of the powerful words of Dr. Martin Luther King Jr.:

"The function of education is to teach one to think intensively and to think critically. Intelligence plus character – that is the goal of true education."

At Wilson Central Schools, we strive to uphold these values by fostering an environment where knowledge, curiosity, and compassion go hand in hand. Education is not just about academics; it is about building a foundation of empathy, resilience, and a commitment to justice.

Let us continue working together to create a community where every student feels empowered to achieve their fullest potential, not only for themselves but for the betterment of the world around them.

Thank you for your dedication and support. Together, we are shaping a brighter future.

Have a wonderful long weekend and enjoy the time with your family!

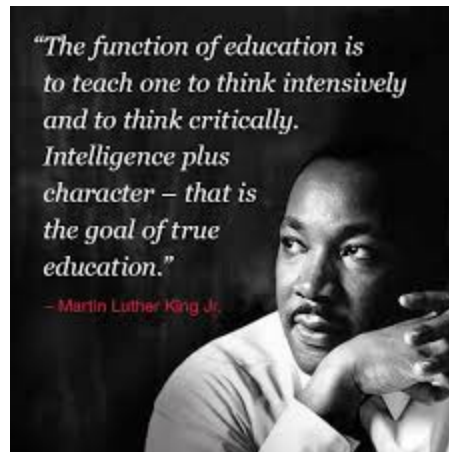

Timothy P. Carter

Each student will have the educational opportunity to reach his or her maximum potential by challenging all students to higher levels of achievement. We will provide the environment, encouragement, and instruction to meet this goal while developing the whole child physically, socially, emotionally, and culturally

Financial Literacy Fair - The Financial Literacy Fair was held last night. It was a fun and interactive event that equips students with essential knowledge about money management, saving, investing, and making informed financial decisions. The students had stations where they presented and engaged with evaluators on a financial-related topic. They did an outstanding job with their presentations. Thank you to Mrs. Herman and Mr. Alex for organizing the event and to all of the evaluators who volunteered their time to support our students.
