

Wilson Central School District:

Each student will have the educational opportunity to reach his or her maximum potential by challenging all students to higher levels of achievement. We will provide the environment, encouragement, and instruction to meet this goal while developing the whole child physically, socially, emotionally, and culturally

From the Desk of Tim Carter:

Dear Wilson CSD Families and Staff,

Greatness isn't just a destination—it's a collection of great moments. And those moments? They happen right now.

Too often, we get caught up in what's behind us or worry about what's ahead. But true success, real growth, and meaningful achievements happen when we fully embrace the present. **Seize the moment.** Give your best effort in the classroom, on the field, on the stage, and in every challenge you face.

There's no greatness without great moments, and those moments are created by what you choose to do today. **Be great now.**

Let's make every moment count!

Have a wonderful weekend, and enjoy the time with your family!
