Wilson Central School District:

Each student will have the educational opportunity to reach his or her maximum potential by challenging all students to higher levels of achievement. We will provide the environment, encouragement, and instruction to meet this goal while developing the whole child physically, socially, emotionally, and culturally

Timothy P. Carter – Superintendent

From the Desk of Tim Carter:

Dear Wilson CSD Families and Staff,

As we journey through the school year, we are reminded that resilience is not just about bouncing back from challenges—it's about finding the strength and courage to move forward. Resilience is the ability to choose joy and maintain hope, even when things don't go as planned.

We may face setbacks, unexpected hurdles, and moments of doubt, but it is in these moments that we have the opportunity to grow stronger, to learn from our experiences, and to shape our futures. Resilience is about choosing to rise, to find new paths forward, and to embrace the possibilities ahead, no matter the obstacles.

Let's continue to support each other with kindness, understanding, and a shared commitment to living with joy, no matter what life brings our way.

Together, we are stronger. Together, we are resilient.

Have a wonderful weekend, and enjoy the time with your family!

Timothy P. Carter

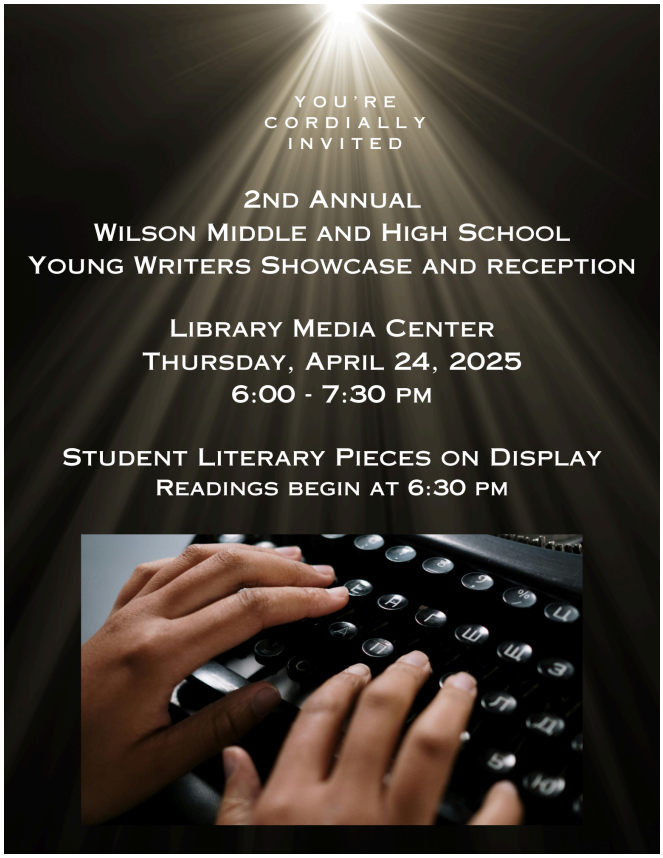

Superintendent
