

Junior IBDP students Milo Richards ('27) and Francis Bartscherer ('27) work together to create a *SuperMario*-themed card for the annual [Ready for Learning](#) initiative sponsored by [Cradles to Crayons](#), a local non-profit, which provides school supplies and resources to children in need. In doing so, these students not only complete a Creativity, Activity, Service (CAS) experience in the Service strand but also embody *CAS learning outcome #5: Demonstrate the skills and recognize the benefits of working collaboratively!*
