Dear Parent/Carer,

Please find attached the Home learning timetable for this academic year. Home learning timetables provide structure and organisation to your child's daily routine sharing this allows you to be aware of their workload, providing an opportunity for you to offer guidance or seek assistance from their teachers when needed.

To make the most of the Home learning timetable, here are a few suggestions:

- Sit down with your child and discuss their timetable.
- Help your child prioritise tasks. Teach them to identify which assignments require immediate attention and which can be spread out over multiple days. This will teach them valuable skills in time management.
- Set up a quiet and comfortable study space for your child. Having a dedicated area for home learning can minimise distractions and improve concentration.
- Encourage breaks and physical activity. Short breaks between study sessions can enhance productivity and help your child retain information better. Encourage them to engage in physical activities during breaks to refresh their minds.
- Be present and available to support your child. While it is important to encourage independence, your guidance and assistance can still be incredibly valuable.
- Encourage your child to attend Home learning Support Club, this is available in the library every Monday, Wednesday and Thursday from 3.30pm until 4.45pm. Late buses are available and will leave school at 5pm.

ClassCharts is our main communications tool for our school community where you can check home learning deadlines, rewards/behaviour points, timetable information and let us know about attendance. You are also able to use the in-app "Messages" tab to communicate directly with all your child's teachers about any queries or concerns. Our full parent guide can be found on our website:

If you require your parent login, please email southamcollege@stowevalley.com FAO Mrs Harmer, our ClassCharts admin.

We hope that this timetable will help to spread the workload for students across the two week timetable but if you have any concerns with regard to this please do not hesitate to contact me via the college office. Home learning timetables will remain available on the Year Blogs throughout the year.

Kind regards

Claire Harwood
