Attendance Updates

Submitting Notes For Absences - This year, there is a new way to excuse your child's absences. The link to the new form can be found below. Please review the following information:

- When your child is absent, an absent note is required to report the absence.
- You are able to excuse the absence for up to 2 consecutive days with the parent note.
- If your child is absent for a 3rd consecutive day, a note from a medical professional is required.
- Vacations are not considered an excused absence.
- The number of parent excuse notes allowed for the year has been reduced from 10 to 9. Only 9 parent notes are accepted during the entire school year.
- The form to report your student's absence can be found [here](#)

Early Dismissals - We understand that early dismissals are necessary at times. Here are some things to keep in mind when seeking an early dismissal:

- Some parts of our day are busier than others, for this reason, we ask that all early dismissals happen before 2pm.
- We cannot accept requests over the telephone for students to leave class early for a pick up unless it is an emergency. This also applies to allow middle school students to travel on their own. Due to safety precautions students must be picked up.
- Students are not allowed to dismiss themselves, even if they are 18 years old. They also will not be released to anyone under 18 years of age or other family members and family friends without parental authorization.
- Students are also not permitted to leave class to request a dismissal from staff.
- Students can only be released to authorized guardians and selected adults that are designated by them. If you have someone other than yourself to you desire to pick up a student and they are not listed as an emergency contact please send email to mwaters@boyslatin.org to identify who is picking up the student and what time they will arrive. ID is required when picking up students
- Parents / authorized adults must come into the building with ID to sign the Early Dismissal Book.

Did You KNOW?

Did you know?

If a student has five or more unexcused absences in a class each quarter, they may be at risk of failing that class.

Your support makes the difference! By ensuring your child attends class every day, you help them stay on track for success. Together, we can keep them moving toward their goals and a strong future.
