Timothy P. Carter – Superintendent**

From the Desk of Tim Carter:

Dear Wilson CSD Families and Staff,

As we embark on new challenges and opportunities, let us remember the wisdom in the quote:

"A bird sitting on a tree is never afraid of the branch breaking because her trust is not on the branch but in her own wings. Always believe in yourself."

Just like the bird, we should place our trust not in external circumstances but in our own abilities, determination, and resilience. Whether in academics, sports, or personal growth, believing in ourselves empowers us to rise above obstacles and reach new heights.

Let's continue to support and uplift one another as we grow in confidence and strength. Together, we can achieve greatness!

Have a wonderful weekend, and enjoy the time with your family!
