

Wilson Central School District:

Each student will have the educational opportunity to reach his or her maximum potential by challenging all students to higher levels of achievement. We will provide the environment, encouragement, and instruction to meet this goal while developing the whole child physically, socially, emotionally, and culturally

From The Helm

April 25, 2025

**Wilson Central School District
Timothy P. Carter – Superintendent**

From the Desk of Tim Carter:

Dear Wilson CSD Families and Staff,

As we reflect on the purpose and power of education, I am reminded of the profound words of B.B. King:
“The beautiful thing about learning is that no one can take it away from you.”

This sentiment eloquently captures the enduring value of knowledge. In an ever-changing world, learning remains a constant, an asset that empowers individuals, enriches communities, and shapes the future. It is through education that we cultivate not only intellect but also character, resilience, and hope.

At Wilson CSD, we are privileged to witness the transformative nature of learning each day. Whether in the classroom, through extracurricular endeavors, or in moments of quiet reflection and discovery, our students, educators, and families exemplify the spirit of lifelong learning.

Let us continue to nurture this shared commitment with purpose and pride. Together, we are not only imparting knowledge but also building a legacy that no one can take away.

Have a wonderful weekend, and enjoy the time with your family!

Timothy P. Carter

Superintendent

Thought of the Week

"The beautiful thing about learning is nobody can take it away from you."
-B.B. King

Updates

Cleanup of the Wilson Waterfront - The 5th Annual Earth Day Cleanup Wilson Tuscarora Park was held on Saturday, April 19, 2025, from 8:00-11:00 AM. We met at the Wilson Tuscarora Park Conference Center at 8:00 AM. We had about 45 people helping to clean up the park. We collected 16 bags of trash. Please enjoy the attached pictures.

Each student will have the educational opportunity to reach his or her maximum potential by challenging all students to higher levels of achievement. We will provide the environment, encouragement, and instruction to meet this goal while developing the whole child physically, socially, emotionally, and culturally

Young Writers Showcase- On Thursday, April 24, 2025, our young writers in Middle School and High school participated in the Young Writers Showcase. Our Wilson student writers did an awesome job. It showcased the many talented students in our District. Thank you to the English Department and all those involved in making the event possible.

Each student will have the educational opportunity to reach his or her maximum potential by challenging all students to higher levels of achievement. We will provide the environment, encouragement, and instruction to meet this goal while developing the whole child physically, socially, emotionally, and culturally

Scholastic Bowl 2025- At the Tuesday, April 22, 2025 Board of Education Meeting, the Wilson Board of Education recognized and celebrated the accomplishments of the Scholastic Bowl 2025 team. Scholastic Bowl is an academic competition in a quiz-bowl format where teams of students answer questions across various subject areas such as history, literature, science, and current events. Teams buzz in to answer questions, earning points for correct answers and potentially bonus questions for specific toss-up wins. It's a fast-paced, Jeopardy-style competition that tests knowledge and teamwork. This is the second year in a row our Wilson team has won the Championship. Congratulations to Mr. Nevins and the Scholastic Bowl team.

SkillsUSA Regional Competition Winners - At the Tuesday, April 22, 2025 Board of Education Meeting, the Wilson Board of Education recognized and celebrated the accomplishments of the SkillsUSA regional competition winners. SkillsUSA is a national organization and showcase for career and technical education (CTE) students, offering a variety of competitions in various skill areas. These competitions, ranging from welding to computer science, provide students with opportunities to demonstrate their skills, earn recognition, and even secure job offers.
