

Wilson Central School District:

Each student will have the educational opportunity to reach his or her maximum potential by challenging all students to higher levels of achievement. We will provide the environment, encouragement, and instruction to meet this goal while developing the whole child physically, socially, emotionally, and culturally

From The Helm

May 30, 2025

**Wilson Central School District
Timothy P. Carter – Superintendent**

From the Desk of Tim Carter:

Dear Wilson CSD Families and Staff,

As we turn the calendar to June, we enter one of the most meaningful times of the school year. This month brings with it both a sense of culmination and new beginnings. It is a time to pause, reflect on our shared journey, and look forward with hope and purpose.

Over the past months, our school community has shown incredible resilience, creativity, and commitment. Together, we have navigated challenges, embraced new ways of learning and leading, and grown stronger as a community. Our students have shown remarkable growth, not just academically, but socially and emotionally. Teachers and staff have gone above and beyond, creating engaging and supportive learning environments.

June is a time to celebrate these efforts and the many accomplishments, both big and small, that have marked this school year. From classroom projects and athletic achievements to community service initiatives and artistic performances, each success has contributed to the vibrant fabric of our school.

It is also a time of transition. For some, June marks the exciting end of a chapter, graduation, moving up to the next grade, or preparing for new opportunities. For others, it's a chance to recharge and reflect before the next academic adventure begins. Whatever this time represents for you, we encourage you to take pride in all that you've achieved at Wilson CSD and to carry forward the lessons and memories you've made.

Wilson Central School District:

Each student will have the educational opportunity to reach his or her maximum potential by challenging all students to higher levels of achievement. We will provide the environment, encouragement, and instruction to meet this goal while developing the whole child physically, socially, emotionally, and culturally

In the coming weeks, we look forward to celebrating our students' successes at year-end events, including awards ceremonies, performances, exhibitions, and graduations. We also look forward to closing out the year with energy and care, ensuring every member of our school community feels seen, valued, and celebrated.

Thank you for your continued support, your dedication, and the spirit you bring to our community. Let's make these final weeks meaningful, memorable, and full of joy. Wishing you all a bright and inspiring start to June. Have a wonderful long weekend, and enjoy the time with your family!

Timothy P. Carter

Updates

Middle School Choral Concert - We would like to extend our heartfelt thanks to our incredible choral director, Claudia Andres, for her unwavering dedication, musical expertise, and inspiring leadership. Her passion for music and commitment to our students shine through in every note. A huge thank you to our amazing student performers as well. Their hard work, teamwork, and enthusiasm made this concert truly special. Wednesday night's performance is a reflection of our students' talent, effort, and love for music—bravo!

Each student will have the educational opportunity to reach his or her maximum potential by challenging all students to higher levels of achievement. We will provide the environment, encouragement, and instruction to meet this goal while developing the whole child physically, socially, emotionally, and culturally

The High School Little Free Library Ribbon Cutting- Today, we celebrated something both small in size and large in significance, the dedication of the Wilson High School **Little Free Library**. At its core, this little structure represents some of the most important values we hold as a school district: literacy, access, creativity, and community. This project reminds us that education doesn't only happen in classrooms, it happens when we inspire curiosity, when we remove barriers to knowledge, and when we encourage a lifelong love of reading. The library is dedicated to Patricia Conniff Attfield, who was a longtime resident of the Village of Wilson, where she lived for nearly 50 years. As an educator and an avid reader, Pat dedicated much of her life to promoting literacy and fostering a love of reading within her community. In honor of her lifelong commitment to education and her unwavering support of Wilson, we are honored to dedicate this Little Free Library to the school in the name of Patricia Conniff Attfield. Thank you to Beth Pyskaty, a Wilson Graduate, and her family for donating the library in honor of her mother.

We will provide the environment, encouragement, and instruction to meet this goal while developing the whole child physically, socially, emotionally, and culturally

Legends and Lore Marker - Six eighth graders, under the direction of Mr. Sippel, have successfully earned a grant from the Pomeroy Foundation and created a new historical marker for the village of Wilson. This is the first 'Legends and Lore' marker installed in Niagara County! Teddy Andrews, Ethan Dietz, Jamison Geier, Calvin Lawson, Brynn Lepsch, and Lilianna Woodward started the research process while still in seventh grade. The marker will be installed soon in front of the pavilion located near Calvin E Krueger Park, at 350 Ontario Street. A companion link for the marker is available online at:

<https://www.wgpfoundation.org/historic-markers/luther-wilson>, and an unveiling ceremony is being planned for the week of June 9th. The students also earned one point towards their Seal of Civic Readiness by presenting to a panel of educators on May 28th. Mr. Sippel is very proud of the students for taking on this project and creating a lasting tribute that local members of the community and visitors from all around the world may enjoy for decades to come.

Awards-

wilson_csd

@wilson... • Just now

Last night was the PAL Art Awards at Lewiston-Porter High School. The Police Athletic League recognizes Seniors from Niagara and Orleans County each year in the visual and performing arts.

Representing Wilson were (from L to R)
Will Howard (Instrumental Art), Aleena Adamczyk (2D Visual Art), Haleigh Kopp (Theater Art) Dylan Appis (Vocal Art)

Congratulations to (L-R) Stephanie Atlas, Parker Milley, and Jaqui Thompson on being nominated for an award at last night's PAL Awards. Steph was selected for the prestigious "Bobby D" Award!

National Academy of Finance Presentations - On Wednesday, May 28, 2025, I had the pleasure of evaluating presentations for students from the Wilson National Academy of Finance (NAF). The students had to work with a partner researching the Wilson community and their needs. Then they were tasked with coming up with two companies that would benefit the community. They had to research and come up with start-up costs and many other items. It was awesome seeing our young students working hard and evaluating the fruits of their labor.

Athletics Update-

Congratulations to Jacob and Hamza! In its 30th year, the Ilio DiPaolo Scholarship Fund honors Western New York wrestlers. Enjoy the article [Link](#)
