Wilson Central School District
Timothy P. Carter – Superintendent

From the Desk of Tim Carter:

Dear Wilson CSD Families and Staff,

As we move through another week together, I want to share two powerful truths that can help guide us through any challenge:

1. Failure is not meant to define you; it's meant to refine you. Life doesn't always go as planned, and sometimes the goals we chase seem to slip just out of reach. But remember this: setbacks are not signs of weakness; they are stepping stones to growth. Sometimes, losing a goal leads you to a new path, one that brings you closer to your true purpose.

2. Ignore the critics. Show up and do the work. In a world full of noise and opinions, the most powerful thing you can do is stay focused on your mission. You are here for a reason. Your voice matters. Your actions matter. Keep moving forward with courage and conviction, because what you have to offer is uniquely yours, and the world needs it.

Let these truths shape your mindset this week. Encourage one another. Embrace every opportunity to grow. And never forget: you're not just passing through this journey, you're meant to make a difference along the way.

Have a wonderful weekend, and enjoy the time with your family!

Wilson Central School District:

Each student will have the educational opportunity to reach his or her maximum potential by challenging all students to higher levels of achievement. We will provide the environment, encouragement, and instruction to meet this goal while developing the whole child physically, socially, emotionally, and culturally

Superintendent

Thought of the Week

Daily Positive

“

2 Truths to Remember This Week:

- 1) Failure is not meant to define you, it's meant to refine you. Sometimes you have to lose a goal to find your destiny.
- 2) Ignore the critics. Show up and do the work. You are here for a reason. You have a purpose and you are meant to share it.

– Jon Gordon

EMS Call to the Stadium- On Wednesday evening, June 4, 2025, there was an EMS incident on the Stadium Turf field. The coach of the visiting youth soccer team had a cardiac incident. Thanks to the quick response of the Wilson coaches, students, staff, members, parents, and local EMS 1st responders, the visiting coach is still with us to tell his story. The link below is a story that aired on WKBW Channel 7. We are honoring the individuals who were involved in the EMS call on Tuesday, June 24, 2025, at a Board Meeting.

Walking Down Memory Lane - Last week, the Wilson High School Seniors took a meaningful walk down memory lane, revisiting the halls of their elementary and middle schools where their educational journey first began. With smiles, laughter, and a few tears, they reconnected with beloved teachers, younger students, and the places that helped shape who they are today. Dressed in caps and gowns, they served as an inspiration to the next generation, showing how far determination, growth, and community can take you. It was a beautiful full-circle moment, celebrating the past as they prepare to step boldly into the future. Please visit the following link to view the event. [Senior Walk](#)

Wilson Middle School 8th Grade Moving Up Day- On Monday, June 16, 2025, we celebrated a special milestone, our 8th Grade Moving Up Day! This moment marks the end of one chapter and the exciting beginning of another. Our 8th-grade students have grown in so many ways, academically, socially, and personally, and we are incredibly proud of all they have accomplished. Middle school has challenged, inspired, and prepared them for what lies ahead. High School will bring new opportunities, new friendships, and new experiences. As they take this next step, they will carry with them the lessons they've learned, the values they've built, and the confidence that they are ready for the journey ahead. Congratulations, Class of 2029! We can't wait to see all the amazing things they will do.

Wilson Central School District:

Each student will have the educational opportunity to reach his or her maximum potential by challenging all students to higher levels of achievement. We will provide the environment, encouragement, and instruction to meet this goal while developing the whole child physically, socially, emotionally, and culturally

8th Grade Breakfast/Lunch - Our 8th-grade students enjoyed a special breakfast and lunch celebration to mark the end of their middle school journey. The day was filled with delicious food, laughter, and memories shared among classmates and teachers. It was a meaningful way to reflect on their achievements and look ahead to high school.

Each student will have the educational opportunity to reach his or her maximum potential by challenging all students to higher levels of achievement. We will provide the environment, encouragement, and instruction to meet this goal while developing the whole child physically, socially, emotionally, and culturally

8th Grade MUD Dance - Our 8th graders danced the night away in celebration of their transition to high school! The Moving Up Dance was filled with music, laughter, and unforgettable memories as students marked the end of middle school with style. Congratulations to the Class of 2029! Thank you, 8th grade team, teacher aides, cafeteria staff, Catie Henzel, and the maintenance department.

MS Honor Roll Field Trip to Brownies - Students who earned a spot on the honor roll were treated to a special field trip to celebrate their hard work—a visit to Brownies Custard Stand! Smiles and sweet treats were in abundance as these high-achieving students enjoyed a well-deserved reward for their dedication and effort throughout the school year.

Each student will have the educational opportunity to reach his or her maximum potential by challenging all students to higher levels of achievement. We will provide the environment, encouragement, and instruction to meet this goal while developing the whole child physically, socially, emotionally, and culturally

5th Grade Science fair- On Tuesday, June 17, 2025, Wilson Elementary School had its 5th Grade Science Fair, and we are thrilled to celebrate its incredible success. Our young scientists amazed us with their curiosity, creativity, and critical thinking. A special thank you goes out to our 5th-grade teachers and support staff for guiding students through this process and encouraging their scientific exploration. Events like the Science Fair remind us that the future is in good hands. Congratulations to all of our students, you've shown us what it means to wonder, to explore, and to discover. Keep asking questions and reaching for the stars!

Manufacturing Mayhem Free Camp - We're excited to share a valuable *free* summer opportunity for your students: **Manufacturing Mayhem** – a hands-on, week-long camp introducing students to exciting careers in advanced manufacturing.

Date: August 4–8, 2025

Time: 9:00 AM – 2:00 PM daily

Location: SUNY Niagara

Who: Students ages 13–18

Cost: Free (includes lunch and a camp t-shirt)

Camp Highlights:

- Hands-on manufacturing and design projects
- Facility tours of real local manufacturers
- Exposure to SUNY Niagara's manufacturing career pathways, including **CAD drawing, machining, and welding**
- Daily project builds students take home
- Lunch provided daily + camp t-shirt

This is a fantastic opportunity for students to explore in-demand technical skills and learn what a future in manufacturing can look like—from the classroom to the shop floor.
