*From the Desk of Tim Carter:*

Dear Wilson CSD Families and Staff,

As we wrap up our first week, I want to extend a heartfelt thank you to everyone for an amazing start to the 2025-2026 school year. The energy and enthusiasm in our hallways and classrooms have been incredible, and it's clear that our school community is excited to be back.

This week, I had the pleasure of visiting several of our schools and saw firsthand the hard work and dedication that went into preparing for the first day. From our dedicated facilities staff who prepared the buildings and grounds for the first day of school to the teachers and aides who decorated classrooms and planned engaging lessons to our families who ensured their students were ready to learn, it was truly a collective effort. And to our students, thank you for showing up with such positive attitudes and open minds.

The start of a new school year is always full of hope and possibility, and this week has been a powerful reminder of what we can achieve when we work together. Let's carry this positive momentum forward and make this a year of growth, learning, and success for every student.

Thank you again for a wonderful first week. I look forward to seeing all the great things we'll accomplish together. Have a great weekend and enjoy the time with your family!

*Timothy P. Carter*

Superintendent

## Thought of the Week

## Updates

**High School/Middle School First Day of School-** On Wednesday, September 3, 2025, the HS/MS students returned to school. Teachers took time today to get to know their students and build relationships with them. It was a great first day of school in Wilson.
