Referendum Open House

All families are cordially invited to an **OPEN HOUSE** that will give you a bird's eye view of the new MAS STEM Lab and the new Memorial Classroom Addition, that were made possible by the Maywood School Referendum Project!

The event will take place on Saturday, Oct. 4th from 10 am to 12 pm

Guests are asked to arrive at MAS any time between 10 am and 12 pm. Please park in the MAS lot or on Maywood Avenue if you are arriving by car. Following tours of the MAS STEM Lab and facilities, shuttle buses will transport you to Memorial to tour the classroom additions. Once complete, the shuttle buses will return you to MAS to conclude the open house.

It is because of our community that we were fortunate enough to refurbish our roofs, overhaul our fire safety systems, infuse air conditioning in both buildings, and now unveil our new state of the art facility additions in the form of the MAS STEM Lab and the Memorial Classroom Addition. Whether a parent of a district child, or a community member, our schools are your schools, and we would like to share the transformation with you.

Please RSVP in any **one** of three ways provided below:

Option 1

Please Email the number of people who plan to attend to OPENHOUSE@maywoodschoools.org

Option 2

Please complete the Digital Form provided here to indicate your attendance and the number of people who plan to attend. [Link to Digital Form](#)
