BURDELL-HUNT NAMED TITLE I REWARD SCHOOL

September 22, 2025

(MACON, GA) – The Georgia Department of Education recently named its 2025 Title I Reward Schools, with Burdell-Hunt Magnet Elementary School among the honorees. Burdell-Hunt was one of about 70 schools statewide chosen for this recognition.

“This achievement is a testament to the hard work and dedication of our students, teachers, staff, and families. At Burdell-Hunt, we believe in the power of high expectations and strong relationships, and this recognition affirms that our commitment to academic excellence and student success is making a meaningful impact,” said Principal Tanya Allen. “As we focus on the district's PUSH for stronger literacy and attendance, we will build on this momentum to strive for even greater growth and achievement.”

This distinction reflects the top 5 percent of Title I schools in the state based on improvement in English Language Arts and Mathematics. Content mastery scores from the most recent two years on statewide assessments are used to determine the recognized schools.
