Dear Wyoming Primary Families,

## **Harvest Fest Gratitude**

A heartfelt thank you to everyone who donated to this year's Harvest Fest. Together we raised **\$7,072** for our sister school in Sierra Leone—an incredible impact. The highlight of the evening was watching our 4th grade servers take such pride in their roles, carefully taking orders and joyfully delivering meals. It was a beautiful reminder of how our school community comes together to support others both near and far. What a fun and meaningful night!

## **Food Policy Reminder**

As we continue building healthy habits at school, I want to share an important reminder about our cafeteria guidelines. We know parents sometimes like to celebrate a special occasion by bringing in lunch, but food from outside vendors is not permitted in the cafeteria. You are always welcome to pack a favorite treat ahead of time in your child's lunch, but please avoid dropping off food during the lunch period. Thank you for helping us keep the lunchroom consistent and welcoming for all students.

## **Cowboy TV Spotlight**

This week on Cowboy TV, our students explored the idea of **E + R = O**: Event plus Response equals Outcome. We practiced how our reactions shape what happens next. From flexible thinking (letting go of a first choice when it's not available) to using calming strategies when feeling disappointed, students are already applying these tools in their daily lives. Their resilience and eagerness to grow, both in understanding themselves and caring for others, inspires me every day.

## **Learning and Growth**

We also wrapped up our beginning-of-year reading and math benchmarks. These assessments help us understand where each student is starting and guide us in planning for growth. Some students may need enrichment, others may benefit from extra support, and many will thrive with

targeted next steps. Our goal is always the same: helping every child grow and succeed. Thank you for your ongoing support as we look forward to all that our students will accomplish this year!

Warmly,  
Jenn Earhart  
WPS Principal
