COURSE DESCRIPTION

ASL II builds on the skills learned in ASL I in order to further develop expressive and receptive skills, including more complex grammar, advanced vocabulary and storytelling techniques. The curriculum also expands cultural awareness, focusing on Deaf culture, social issues and appropriate communication norms within the Deaf community.

COURSE OBJECTIVES

The learner in **level II** will:

- communicate and exchange information on familiar topics using phrases and simple sentences.
- handle short interactions by asking and answering simple questions.
- understand words, phrases and formulaic language that has been memorized in order to get meaning of the main idea and a few supporting details from simple, highly predictable texts.
- understand the main idea and some specific information when watching short, routine conversations and simple announcements and reports.
- make basic inferences based on background and prior knowledge.
- sign lists and short messages producing a series of sentences.
