COURSE DESCRIPTION

If you enjoyed Latin I and are ready for more, Latin II will take your skills to the next level. Using *Suburani* Book 2, you'll continue your journey through the ancient Roman world, following new characters, uncovering historical events, and deepening your understanding of Latin grammar and vocabulary. This course builds on what you've already learned, introducing more complex sentences, verb forms, and cultural themes. You'll explore real stories from the Roman Empire, including tales of gladiators, emperors, and everyday people navigating life in ancient cities. Along the way, you'll sharpen your translation skills, strengthen your grasp of Latin's connections to English, and see how Latin is still very much alive in modern words, science, and literature. By the end of Latin 2, you'll be reading longer, more detailed Latin passages with confidence and gaining a richer appreciation for Roman history and mythology. Whether you love history, language, or just want to challenge yourself with something unique, Latin 2 is the perfect way to keep exploring the ancient world.
